

# RIFLE CASE HOLDERS - L.E. WILSON 303 BRITISH CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson 303 British Rifle Case Holder

## Introduction

Thank you for choosing the L.E. Wilson 303 British Rifle Case Holder. This product is designed to provide precision and consistency while trimming, reaming, and deburring your rifle cases. To ensure your safety and the effective use of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to hold rifle cases for trimming and related processes.
- Always inspect the case holder before use for any signs of damage or wear.
- Keep the case holder out of reach of children and vulnerable individuals to prevent accidental injury.
- Follow local regulations and guidelines regarding the handling and use of firearms and ammunition.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about safety recalls via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the case holder with cases that are not compatible, such as those that are excessively damaged or corroded.
- Always wear appropriate safety gear, including eye protection, when using trimming tools or handling brass cases.
- Ensure that the area you are working in is welllit and free from distractions.
- Do not exceed the manufacturer's recommended specifications for trimming and reaming.
- Handle all tools and equipment with care to avoid injury.

## Instructions for Installation and Usage

### 1. Preparing the Case Holder:

- Ensure the case holder is clean and free of debris.
- Select the appropriate case holder for your case type (Fired, New, Neck Sized, or Full Length Sized).

### 2. Installing the Case Holder:

- Insert the rifle case into the case holder until it is securely seated.
- Ensure that the case body is fully supported by the holder.

### 3. Using the Case Holder:

- Attach the case holder to your trimming tool following the manufacturer's instructions.
- Begin the trimming or reaming process, ensuring that you maintain a steady hand and control over the tool.
- Regularly check the case for proper trimming and reaming depth to avoid overtrimming.

### 4. PostUse Care:

- After use, remove the case holder from the trimming tool and clean it to prevent buildup of brass shavings.

- Store the case holder in a dry, secure location away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of the case holder in accordance with local regulations regarding metal products.
- If the case holder is damaged beyond repair, consider recycling it where facilities exist.
- Do not dispose of the case holder in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the L.E. Wilson 303 British Rifle Case Holder, or to report safety issues, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure a safe and effective experience with your L.E. Wilson 303 British Rifle Case Holder. Thank you for your attention to these important safety measures.
