

# RIFLE CASE HOLDERS - 30-30 WINCHESTER NEW CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson Rifle Case Holder

## Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the case holder.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to hold rifle cases during trimming and reaming processes.
- Always handle the case holder with care to avoid injury or damage to the product.
- Store the case holder in a dry, cool place and out of reach of children and pets.
- Regularly inspect the case holder for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear safety glasses when using the case holder to protect your eyes from debris.
- Keep hands clear of moving parts during operation to prevent injury.
- Ensure that the rifle cases are securely held in place before starting any trimming or reaming process.
- Do not exceed the recommended specifications for the rifle cases being used with the holder.
- Use the case holder only with compatible cases as specified in the product description.

## Instructions for Installation and Usage

### 1. Installation:

- Place the L.E. Wilson Rifle Case Holder on a stable work surface.
- Ensure that the holder is clean and free from any debris before use.
- Insert the rifle case into the holder, ensuring it is aligned correctly and securely held in place.

### 2. Usage:

- Once the case is secured, proceed with the trimming, primer pocket reaming, neck reaming, or deburring process as required.
- Follow the manufacturer's instructions for the specific trimming or reaming tool being used in conjunction with the case holder.
- After use, carefully remove the case from the holder and inspect it for any damage or defects.

## Disposal Instructions

- Dispose of the case holder in accordance with local regulations regarding plastic and metal waste.
- Do not dispose of the holder in regular household waste if it is damaged or contains hazardous materials.
- If unsure about disposal methods, contact your local waste management authority for guidance.

## Contact Information for Further Support

For any questions or concerns regarding the L.E. Wilson Rifle Case Holder, please reach out to the manufacturer or your retailer for assistance. Ensure you have the product information ready for a more efficient response.

By following these safety instructions, you can ensure the safe and effective use of the L.E. Wilson Rifle Case Holder. Thank you for prioritizing safety in your reloading activities.
