

RIFLE CASE HOLDERS - SAUM FAMILY FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for L.E. Wilson Rifle Case Holder

Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder. This product is designed to assist you in trimming, primer pocket reaming, neck reaming, and deburring your rifle cases. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the Rifle Case Holder according to the manufacturer's instructions.
- Ensure a clean and dry working environment to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Rifle Case Holder for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Avoid wearing loose clothing or accessories that could get caught in the machinery.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling cases.
- Do not exceed the recommended case types for the Rifle Case Holder. Only use Fired and New cases as specified.
- Ensure that the case is properly secured in the holder before beginning any trimming or reaming activities.
- Do not attempt to modify or alter the Rifle Case Holder in any way.
- Always follow the manufacturer's recommendations for trimming and reaming to avoid accidents.

Instructions for Installation and Usage

1. Installation

- Place the Rifle Case Holder on a stable and flat working surface.
- Ensure that the holder is compatible with your specific case type (Fired or New).
- Secure the holder according to the manufacturer's guidelines.

2. Usage

- Insert the case into the holder, ensuring it is seated properly and securely.
- Follow the specific instructions for trimming, primer pocket reaming, neck reaming, or deburring as detailed in the product manual.
- After completing the task, carefully remove the case from the holder.
- Clean the holder after each use to maintain its performance and longevity.

Disposal Instructions

- Dispose of the Rifle Case Holder in accordance with local regulations.
- Do not dispose of any parts in regular household waste if they contain hazardous materials.
- Consider recycling options for the materials when possible.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's contact details provided in the product packaging. It is important to have access to support for any safety inquiries or concerns related to the product.

By following these safety instructions, you can ensure a safe and effective experience with the L.E. Wilson Rifle Case Holder. Thank you for prioritizing safety in your reloading activities.
