

RIFLE CASE HOLDERS - 7.5X55MM SWISS FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for RIFLE CASE HOLDERS

7.5X55MM SWISS FIRED CASE HOLDER

Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder for your reloading needs. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the Rifle Case Holder.

General Safety Guidelines

- Ensure that you are familiar with the operation of the rifle case holder before use.
- Always handle the case holder with care to avoid injury.
- Keep the case holder out of reach of children and vulnerable individuals.
- Regularly inspect the case holder for any signs of damage or wear before use.
- Use the case holder only for its intended purpose as specified in this guide.
- Follow all local laws and regulations regarding the use of reloading equipment and ammunition.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the case holder.
- Do not exceed the manufacturer's specifications for case dimensions and types.
- Ensure that the case holder is securely attached to the trimmer before use.
- Avoid using the case holder with cases that show signs of excessive wear or damage.
- Do not attempt to modify or alter the case holder in any way.

Instructions for Installation and Usage

1. Installation

- Ensure the trimmer is unplugged or turned off before installation.
- Select the appropriate case holder for the type of case you are using (Fired, New, Neck, or Full Length sized).
- Insert the case holder into the trimmer according to the manufacturer's instructions.
- Secure the case holder to ensure it does not come loose during operation.

2. Usage

- Prepare the case by ensuring it is clean and free of debris.
- Insert the case into the holder, ensuring it is properly seated.
- Follow the trimmer's operating instructions for trimming, primer pocket reaming, neck reaming, and deburring.
- After use, carefully remove the case from the holder and inspect it for any issues.

Disposal Instructions

- Dispose of the case holder in accordance with local regulations.
- Do not dispose of the case holder in regular household waste if it is damaged or broken.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact their customer service department.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
