The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for L.E. Wilson Rifle Case Holders 375 H&H Magnum

Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder for your reloading needs. This product is designed to provide accuracy and uniformity when trimming, reaming, and deburring your cases. It is important to follow the safety guidelines outlined in this document to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the case holder for any signs of damage or wear before use.
- Keep the case holder and all related tools out of reach of children and vulnerable individuals.
- Use the product in a wellventilated area to avoid inhaling any particles generated during use.
- Report any unsafe product experiences or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the case holder.
- Ensure that the case holder is securely attached to the trimmer before use to prevent accidents.
- Do not exceed the manufacturer's recommended specifications for the case holder.
- Avoid using the case holder with cases that are not compatible (e.g., using a fired holder with new cases).
- Be cautious of sharp edges on the trimmer and case holder; handle with care to avoid cuts or injuries.

Instructions for Installation and Usage

1. Installation of the Case Holder:

- Select the appropriate case holder for your specific case type (Fired, New, Neck Sized, or Full Length Sized).
- Attach the case holder securely to the trimmer according to the manufacturer's instructions.
- Ensure that the case holder is properly aligned for optimal performance.

2. Using the Case Holder:

- Insert the case into the holder, ensuring it fits snugly.
- Begin the trimming or reaming process, maintaining a steady hand and following the machine's operational guidelines.
- Monitor the process closely to ensure that the case holder remains secure and that the case is being processed correctly.

3. PostUse Care:

- After use, remove the case holder from the trimmer and clean it according to the manufacturer's recommendations.
- Store the case holder in a dry, safe place away from children and pets.

Disposal Instructions

- Dispose of any damaged or worn case holders in accordance with local waste disposal regulations.
- Recycle materials where applicable, following your local recycling guidelines for metal and plastic.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product recalls, please refer to the relevant authorities or the manufacturer's website for assistance.

By following these guidelines, you will help ensure a safe and effective experience with your L.E. Wilson Rifle Case Holder. Thank you for your attention to safety.
