

RIFLE CASE HOLDERS - 45-70 GOVERNMENT NEW CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for L.E. Wilson Rifle Case Holder

Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder for your reloading needs. This guide provides important safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the Rifle Case Holder.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to hold cases for trimming, primer pocket reaming, neck reaming, and deburring.
- Always handle the Rifle Case Holder with care to avoid injury. Use appropriate safety gear, such as eye protection.
- Keep the Rifle Case Holder out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the Rifle Case Holder for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use of reloading equipment and ammunition.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the Rifle Case Holder in any way, as this may compromise its safety and effectiveness.
- Always ensure that the case is properly seated in the holder before performing any trimming or reaming operations.
- Avoid placing fingers near the cutting or reaming areas during operation to prevent injury.
- Use the Rifle Case Holder only with cases that are compatible (e.g., .4570 Government cases).
- If using the NEW Case Holder, ensure it is only used with new, unfired brass or fulllength sized cases.

Instructions for Installation and Usage

1. Installation:

- Place the Rifle Case Holder securely in your trimming or reaming tool as per the manufacturer's instructions.
- Ensure that the holder is tightly secured and does not move during operation.

2. Usage:

- Insert the case into the Rifle Case Holder, ensuring it is seated correctly.
- Follow the specific instructions for your trimming or reaming tool to perform the desired operation.
- After completing the operation, carefully remove the case from the holder.
- Clean the Rifle Case Holder after each use to maintain its performance and longevity.

Disposal Instructions

- Dispose of the Rifle Case Holder in accordance with local regulations for nonhazardous materials.
- If the product is damaged beyond repair, ensure that it is disposed of safely to prevent any potential hazards.

Contact Information for Further Support

For any safety inquiries or concerns regarding the L.E. Wilson Rifle Case Holder, please contact your local distributor or refer to the manufacturer's website for assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your L.E. Wilson Rifle Case Holder. Thank you for prioritizing safety in your reloading practices.
