

RIFLE CASE HOLDERS - 22 HORNET FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for L.E. Wilson Rifle Case Holders 22 Hornet Fired Case Holder

Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder for your reloading needs. This product is designed to hold fired cases securely for trimming, primer pocket reaming, neck reaming, and deburring. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the Rifle Case Holder in a wellventilated area.
- Keep the work area clean and free of clutter to avoid accidents.
- Store the case holder in a safe place away from children and pets.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling cases and tools.
- Regularly inspect the case holder for any signs of wear or damage before use.
- Do not use the case holder for any purpose other than what it is designed for.
- Follow all local laws and regulations regarding reloading and use of firearms.

Specific Safety Precautions for Use

- Ensure that the case being used is compatible with the Rifle Case Holder (e.g., Fired, New, Neck, or Full Length sized cases).
- Do not exceed the recommended trimming lengths or specifications for your cases.
- Avoid placing your hands near the cutting tools while trimming or reaming.
- Do not attempt to modify the case holder or use it in a way not intended by the manufacturer.
- If you experience any difficulties or unusual behavior during use, stop immediately and inspect the equipment.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and equipment, including the L.E. Wilson Rifle Case Holder, trimmer, and any other reloading tools.
- Ensure that your workspace is organized and free of distractions.

2. Installing the Case Holder:

- Insert the fired case into the Rifle Case Holder, ensuring it is seated firmly.
- If using a NEW Case Holder, ensure that it is compatible with new, unfired brass or fulllength sized cases.
- Secure the case holder in place as per the manufacturer's instructions.

3. Using the Case Holder:

- Attach the case holder to your trimmer or reaming tool according to the manufacturer's guidelines.
- Begin the trimming or reaming process at a slow speed to ensure accuracy.
- Monitor the process carefully and stop if you notice any unusual sounds or resistance.

4. After Use:

- Remove the case from the holder carefully, avoiding sharp edges.
- Clean the case holder and surrounding area to prevent contamination or damage.
- Store the case holder in a dry, safe location.

Disposal Instructions

- Dispose of any damaged or wornout case holders in accordance with local waste disposal regulations.
- If the case holder is still functional but no longer needed, consider donating it to a local shooting club or reloading community.

Contact Information for Further Support

For any questions or concerns regarding the use of the L.E. Wilson Rifle Case Holder, please refer to the manufacturer's website or contact their customer service for assistance.

Remember, your safety is paramount. Always prioritize safe practices when reloading and using firearms. Thank you for your attention to these safety instructions.
