

# RIFLE CASE HOLDERS - 300 REMINGTON ULTRA MAGNUM FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson Rifle Case Holder

## Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder for your reloading needs. This guide provides essential safety instructions and usage information to ensure safe and effective operation of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that you understand all safety instructions before using the product.
- Always wear appropriate safety gear, including eye protection, when operating or working with firearms and reloading equipment.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before each use.
- Do not use the case holder for any purpose other than its intended use as specified in this guide.

## Specific Safety Precautions for Use

- Only use the L.E. Wilson Rifle Case Holder with the specified case types: Fired, New, Neck Sized, or Full Length Sized cases.
- Ensure that the case holder is securely attached to the trimmer before use to prevent accidents.
- Do not attempt to trim or modify cases that are not compatible with the case holder.
- Handle all cases with care to avoid injury from sharp edges or debris.
- Always work in a wellventilated area when using trimming or reaming tools to avoid inhalation of dust or fumes.

## Instructions for Installation and Usage

### 1. Installation of the Case Holder:

- Select the appropriate L.E. Wilson Rifle Case Holder for your case type.
- Insert the case into the holder, ensuring it is seated properly.
- Secure the holder in your trimmer according to the manufacturer's instructions.

### 2. Using the Case Holder:

- With the case securely held, follow the instructions for your trimmer to perform trimming, primer pocket reaming, neck reaming, or deburring.
- Maintain a steady hand and ensure that the trimmer is functioning correctly throughout the process.
- After use, remove the case from the holder and inspect it for any damage or defects.

### 3. Cleaning and Maintenance:

- Clean the case holder after each use to prevent buildup of debris.
- Store the case holder in a dry place when not in use to prevent corrosion or damage.

## Disposal Instructions

- Dispose of any damaged or unusable case holders in accordance with local regulations.
- Recycle materials where possible, following your local recycling guidelines.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the L.E. Wilson Rifle Case Holder, please contact the manufacturer directly. Ensure you have the product details handy for a more efficient response.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience while using the L.E. Wilson Rifle Case Holder. Always prioritize safety and consult this guide whenever you have questions about the product. Thank you for your attention and safe reloading practices!
