

RIFLE CASE HOLDERS - 220 SWIFT FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instructions for L.E. Wilson Rifle Case Holders 220 Swift Fired Case Holder

Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder designed for trimming, primer pocket reaming, neck reaming, and deburring of your cases. This product is engineered to provide accuracy and uniformity in your reloading process. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle the case holder with care to avoid injury.
- Ensure that the workspace is clean and free from obstructions before starting any work.
- Keep the product out of reach of children and vulnerable individuals.
- Use the case holder only for its intended purpose to prevent accidents.
- Regularly check for wear and tear on the case holder to ensure it remains safe for use.
- In case of any malfunction, stop using the product immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that the case holder is compatible with the specific type of cases you are using:
 - FIRED Case Holders are for Neck Sized Cases.
 - NEW Case Holders work with new, unfired brass or cases that have been fulllength sized.
- If you are unsure about the type of case, refer to the product specifications or consult with a knowledgeable individual.
- Always wear appropriate safety gear, including eye protection, when using the case holder.
- Do not exceed the recommended trimming length to avoid damaging the case holder or the cases.
- Never attempt to modify or repair the case holder yourself.

Instructions for Installation and Usage

1. Installation

- Unpack the case holder and inspect it for any damage before use.
- Ensure that the trimmer is securely mounted to a stable surface.
- Insert the case holder into the trimmer according to the manufacturer's instructions.
- Confirm that the case holder is locked in place before proceeding.

2. Usage

- Place the case into the holder, ensuring it is seated properly.
- Adjust the trimmer settings according to the desired length and specifications.
- Activate the trimmer and monitor the process closely.
- Once trimming is complete, carefully remove the case from the holder.
- Inspect the trimmed case for any defects or irregularities.

Disposal Instructions

- Dispose of any damaged or worn case holders in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the L.E. Wilson Rifle Case Holder, please refer to the manufacturer's contact details provided with your product packaging or visit the official website for assistance.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your reloading experience with the L.E. Wilson Rifle Case Holder!
