

RIFLE CASE HOLDERS - 221 REMINGTON FIREBALL CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for L.E. Wilson Rifle Case Holders 221 Remington Fireball

Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder for your reloading needs. This product is designed to enhance the accuracy and consistency of your case trimming process. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the case holder for any signs of damage before use.
- Do not use the case holder if it appears to be damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm accessories and reloading equipment.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the case holder only with compatible cases (Fired, New, Neck Sized, or Full Length Sized).
- Ensure that the case is securely held in place before trimming or reaming.
- Avoid placing your hands near the cutting area while the trimmer is in operation.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while using the trimmer.
- Do not exceed the recommended trimming or reaming specifications for your cases.
- Store the case holder in a dry and safe location when not in use to prevent damage.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials, including the L.E. Wilson Rifle Case Holder and your cases.
- Ensure that your workspace is clean and free of any obstructions.

2. Installation

- Place the case holder in a stable position on your work surface.
- Insert the case into the holder, ensuring it is seated properly and securely.

3. Usage

- For trimming, follow these steps:
 - Activate the trimmer according to the manufacturer's instructions.
 - Slowly feed the case into the trimmer while maintaining a firm grip on the holder.
 - Monitor the trimming process to ensure accuracy and prevent overtrimming.
- For neck reaming and deburring, follow similar steps as above, ensuring the correct tool is used for each task.

4. PostUse Care

- After use, clean the case holder to remove any debris or residue.

- Store the case holder in its designated location to prevent damage.

Disposal Instructions

- Dispose of any damaged or wornout case holders in accordance with local waste disposal regulations.
- If the product is still usable but no longer needed, consider donating it to a local shooting club or reloading group.

Contact Information for Further Support

For any safety inquiries or product concerns, please refer to the manufacturer's contact information provided with the product packaging. Ensure that you have the product details ready for efficient assistance.

By following these safety instructions, you can ensure a safe and effective experience with your L.E. Wilson Rifle Case Holder. Thank you for your attention to safety and for choosing our product.
