

# RIFLE CASE HOLDERS - 222 REMINGTON MAGNUM FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instructions for L.E. Wilson Rifle Case Holder 222 Remington Magnum Fired Case Holder

## Introduction

Thank you for purchasing the L.E. Wilson Rifle Case Holder designed for 222 Remington Magnum fired cases. This product is intended to assist in the trimming, primer pocket reaming, neck reaming, and deburring of cases. It is important to follow these safety instructions to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the Rifle Case Holder and all related tools out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using this product.
- Do not use the Rifle Case Holder for any purpose other than its intended use.
- Be aware of your surroundings and ensure that the workspace is clear of hazards.
- If you experience any issues or accidents while using the product, report them to the relevant authorities.

## Specific Safety Precautions for Use

- Use only with cases that are compatible with the L.E. Wilson Rifle Case Holder.
- Avoid using excessive force when trimming or reaming cases to prevent injury or damage to the product.
- Ensure that the case is securely held in place before starting any trimming or reaming process.
- Do not attempt to modify or alter the Rifle Case Holder in any way.
- Keep hands and fingers clear of moving parts to avoid injury.
- Use the product in a well-ventilated area to minimize exposure to any dust or debris generated during use.

## Instructions for Installation and Usage

### 1. Installation:

- Begin by selecting the appropriate case holder for your specific case type (Fired or New).
- Ensure the case holder is clean and free from debris.
- Insert the case into the holder, ensuring it is seated properly and securely.

### 2. Usage:

- Place the Rifle Case Holder into the trimmer.
- Adjust the trimmer settings according to the manufacturer's instructions for the specific operation you are performing (trimming, reaming, or deburring).
- Start the trimmer and allow it to operate at the recommended speed.
- Monitor the operation closely to ensure the case is being processed correctly.
- Once the operation is complete, carefully remove the case from the holder.

### 3. PostUse:

- Clean the Rifle Case Holder after each use to maintain its performance and longevity.
- Store the product in a dry, safe location away from children and pets.

## **Disposal Instructions**

- Dispose of the L.E. Wilson Rifle Case Holder in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling materials where applicable.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries or support regarding the use of the L.E. Wilson Rifle Case Holder, please refer to the manufacturer's contact details provided with the product. It is important to reach out to the manufacturer for any safety concerns or product-related questions.

This safety instruction guide is designed to help you use the L.E. Wilson Rifle Case Holder safely and effectively. By following these guidelines, you can ensure a safer experience while achieving the desired results in your reloading process. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
