

# RIFLE CASE HOLDERS - 257 WEATHERBY MAGNUM FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson Rifle Case Holder

## Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the Rifle Case Holder to familiarize yourself with the necessary precautions and instructions.

## General Safety Guidelines

- Ensure that the Rifle Case Holder is used in accordance with the manufacturer's instructions.
- Always inspect the product before use for any signs of damage or wear.
- Keep the Rifle Case Holder and all associated tools out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in this guide.
- If you experience any issues while using the product, cease use immediately and consult the troubleshooting section or contact support.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The product is designed for handling fired cases. Avoid using it with live ammunition.
- Ensure that your workspace is clean and free from obstructions to prevent accidents.

- **Avoiding Hazards:**

- Always wear appropriate safety gear, such as safety glasses, when trimming or reaming cases.
- Do not place fingers near the cutting area while operating the trimmer.
- Keep hands and body clear of moving parts during operation.
- If using power tools in conjunction with the Rifle Case Holder, follow the safety guidelines provided by those tools.

- **Audience Specific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that all users are trained in safe handling and operation of reloading equipment.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that the trimmer is securely mounted on a stable surface.
2. Insert the fired case into the Rifle Case Holder, ensuring it is properly seated.
3. If necessary, adjust the holder to fit the specific case type being used.

- **Usage:**

1. For trimming, turn on the trimmer and engage the case holder to trim the case to the desired length.
2. Use the primer pocket reaming and neck reaming features as needed, ensuring that the case is securely held.
3. Deburring can be done after trimming to ensure smooth edges.

4. After use, remove the case from the holder and clean any debris from the trimmer and holder.

## **Disposal Instructions**

- Dispose of any used or damaged cases in accordance with local regulations for hazardous materials.
- Recycle the Rifle Case Holder and its components if possible. Check with local waste management for proper recycling methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact information provided with your product packaging or on their official website.

Please remember to regularly check for updates on product safety and recall information through the EU's Safety Gate platform. Your safety and satisfaction are our top priorities. Thank you for your attention to these important guidelines.
