

# RIFLE CASE HOLDERS - 45-70 GOVERNMENT FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson Rifle Case Holders 4570 Government Fired Case Holder

## Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder. This product is designed to provide precision and uniformity in the trimming, reaming, and deburring of your cases. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about any product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when using the case holder.
- Use the case holder in a wellventilated area to avoid inhaling any dust or debris created during use.
- Do not exceed the recommended specifications for the case holder to avoid accidents or damage.
- Ensure that the case holder is securely attached to the trimming device before use.
- Handle the cases with care to prevent injury from sharp edges.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the trimming device is turned off and unplugged before installation.
- Select the appropriate case holder for your specific case type (Fired, New, Neck, or Full Length sized).
- Securely attach the case holder to the trimming device according to the manufacturer's instructions.

### 2. Usage:

- Insert the case into the holder, ensuring that it is properly seated.
- Follow the instructions for your trimming device to begin the trimming process.
- Monitor the trimming process closely to ensure that the case remains securely in the holder.
- After trimming, carefully remove the case from the holder and check for any sharp edges or burrs.

## Disposal Instructions

- Dispose of any damaged or worn case holders in accordance with local regulations.
- Recycle materials where possible, following your local recycling guidelines.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

## Contact Information for Further Support

For any inquiries or support regarding the L.E. Wilson Rifle Case Holder, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.  
Enjoy your experience with the L.E. Wilson Rifle Case Holder!
