

RIFLE CASE HOLDERS - 6.5X55MM SWEDE FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for L.E. Wilson Rifle Case Holder 6.5X55MM Swede Fired Case Holder

Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder 6.5X55MM Swede Fired Case Holder. This product is designed to assist in the trimming, primer pocket reaming, neck reaming, and deburring of fired cases. While using this product, it is essential to follow safety guidelines to ensure safe and effective operation. This guide provides important safety information, usage instructions, and contact details for further support.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the case holder before use for any signs of damage or wear.
- Keep the case holder out of reach of children and pets.
- Use the case holder only for its intended purpose.
- Store the case holder in a dry, cool place when not in use.
- Do not use the case holder with live ammunition or in conjunction with any firearm.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses when using the product.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The case holder is designed for use with fired cases only. Using it with live or unfired cases may result in injury.
 - Ensure that the case holder is compatible with the specific type of cases you are using (Fired, New, Neck, or Full Length sized).
- **Avoiding Hazards:**
 - Do not apply excessive force when trimming or reaming cases, as this may damage the case holder or result in injury.
 - Always secure the case holder properly in your trimming setup to prevent movement during operation.
 - Keep hands and other body parts clear of cutting tools while in use.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that the trimming tool is turned off and unplugged before installation.
 2. Insert the case holder into the trimmer according to the manufacturer's specifications.
 3. Secure the case holder firmly to prevent it from loosening during operation.
- **Usage:**
 1. Place the fired case into the case holder, ensuring it is seated properly.
 2. Adjust the trimming tool to the desired length and ensure it is set up correctly.
 3. Activate the trimming tool and proceed to trim or ream the case as needed.
 4. After use, remove the case from the holder and inspect it for any damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding nonhazardous materials.
- If the product is damaged or no longer usable, consider recycling the materials if possible.
- Do not dispose of the product in household waste if it contains any hazardous components.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the L.E. Wilson Rifle Case Holder, please refer to the manufacturer's contact information provided with the product. It is important to have a reliable point of contact for any safety-related issues.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with the L.E. Wilson Rifle Case Holder. Thank you for your attention to safety.
