

# RIFLE CASE HOLDERS - 6MM BR FAMILY NEW CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson Rifle Case Holders 6MM BR Family

## Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holders. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your case holder. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose of holding cases for trimming, primer pocket reaming, neck reaming, and deburring.
- Always inspect the case holder before use for any signs of damage or wear. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Follow all manufacturer instructions and guidelines to ensure safe use.

## Specific Safety Precautions for Use

- Use only with compatible cases as specified:
  - NEW Case Holders are designed for new, unfired brass or cases that have been full length sized.
  - FIRED Case Holders are for Neck Sized Cases.
- Ensure that the case holder is properly secured in the trimmer before use.
- Do not exceed the recommended trimming speeds or pressures as this may cause injury or damage.
- Wear appropriate safety equipment, such as safety glasses, when using the trimmer with the case holder.
- Do not attempt to modify or alter the case holder in any way.

## Instructions for Installation and Usage

1. **Inspection:** Before installation, inspect the case holder for any damage or defects. Ensure it is clean and free of debris.
2. **Installation:**
  - Insert the case holder into the trimmer securely.
  - Ensure that it is locked in place according to the trimmer's instructions.
3. **Usage:**
  - Place the case into the holder, ensuring it fits snugly.
  - Follow the trimmer's operation instructions to begin trimming or reaming.
  - Monitor the process closely to ensure that the case holder is functioning correctly throughout the operation.
4. **PostUse:**
  - After use, remove the case from the holder carefully.
  - Clean the case holder and trimmer as per the manufacturer's cleaning guidelines.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Check with local waste management authorities for appropriate disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the product, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

## **Conclusion**

By following the safety instructions outlined in this guide, you can ensure a safe and effective experience with your L.E. Wilson Rifle Case Holders. Always prioritize safety and adhere to the provided guidelines for optimal performance. Thank you for your attention to these important safety measures.
