

RIFLE CASE HOLDERS - WSM FAMILY NEW CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for L.E. Wilson Rifle Case Holders (WSM Family)

Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder. This product is designed to hold cases securely during trimming, primer pocket reaming, neck reaming, and deburring. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** Always ensure the safe use of the case holder during operation.
- **Enhanced Recalls:** Be aware of any recall notices regarding this product. You can find updates through the EU Safety Gate platform.
- **Online Shopping:** When purchasing online, ensure the retailer complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken if the product is used around vulnerable groups, especially children.
- **EU Contact Point:** For safety inquiries, ensure you have access to a designated EU-based contact.
- **Rapid Alerts:** Stay informed about any unsafe product updates via the Safety Gate system.

Specific Safety Precautions for Use

- Always inspect the case holder before use for any signs of damage or wear.
- Use the case holder only with compatible cases: 300 WSM, 270 WSM, 7 mm WSM, and 325 WSM.
- Do not use the case holder with cases that are not specified, as this may lead to improper functioning.
- Ensure that the case is securely held in place before beginning any trimming or reaming operations.
- Keep the working area clean and free from distractions to maintain focus while using the case holder.
- Wear appropriate safety gear, such as eye protection, while operating the case holder.

Instructions for Installation and Usage

1. Installation:

- Place the case holder securely in the trimmer or reaming machine.
- Ensure that the holder is properly aligned and tightened according to the manufacturer's instructions.

2. Usage:

- Insert the case into the holder, ensuring it fits snugly.
- Begin trimming or reaming by following the specific machine instructions.
- Do not force the case into the holder; if it does not fit, stop and check for compatibility.
- After use, remove the case from the holder carefully to avoid injury.

Disposal Instructions

- Dispose of any damaged or worn case holders according to local regulations.
- Recycle materials where possible to minimize environmental impact.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the L.E. Wilson Rifle Case Holder, please refer to the designated EU contact point associated with the product.

By following these guidelines and instructions, you can ensure the safe and effective use of the L.E. Wilson Rifle Case Holder. Thank you for your attention to safety.
