

# RIFLE CASE HOLDERS - L.E. WILSON BELTED MAGNUM NEW CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson Belted Magnum New Case Holder

## Introduction

Thank you for choosing the L.E. Wilson Belted Magnum New Case Holder. This product is designed to assist in trimming, primer pocket reaming, neck reaming, and deburring of rifle cases. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always read the user manual before using the product.
- Ensure that the case holder is compatible with the case type you are using.
- Inspect the case holder for any damage before each use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding ammunition and firearm accessories.
- Report any unsafe product experiences to the relevant authorities.

## Specific Safety Precautions for Use

- Use the case holder only for its intended purpose: trimming and preparing rifle cases.
- Avoid wearing loose clothing or jewelry that could get caught in the machinery during operation.
- Always work in a welllit area to ensure visibility and accuracy.
- Do not exceed the recommended specifications for case types as indicated in the product description.
- Ensure that your workspace is clear of unnecessary items to prevent accidents.
- Use appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the trimming tool is properly set up and securely attached to a stable work surface.
- Select the appropriate case holder for your case type (New or Fired).
- Insert the case into the holder until it is firmly secured.

### 2. Usage

- Start the trimming tool according to the manufacturer's instructions.
- Gradually feed the case into the trimmer, ensuring it remains secure in the holder.
- Allow the tool to perform its function without forcing the case.
- After trimming, carefully remove the case from the holder and inspect it for uniformity.

### 3. PostUse Maintenance

- Clean the case holder after each use to remove any debris or residue.
- Store the case holder in a dry, cool place, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not throw the product in regular household waste if it contains any hazardous materials.
- Consider recycling the product if possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any inquiries or support regarding the L.E. Wilson Belted Magnum New Case Holder, please refer to the manufacturer's website or customer service. Ensure you have the product information available for reference.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the L.E. Wilson Belted Magnum New Case Holder responsibly.
