

RIFLE CASE HOLDERS - L.E. WILSON WSM FAMILY FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instructions for L.E. Wilson WSM Family Fired Case Holder

Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder. This product is designed to hold cases securely for trimming, primer pocket reaming, neck reaming, and deburring. To ensure your safety and the safe operation of this product, please read and follow the guidelines provided in this manual.

General Safety Guidelines

- Ensure that the rifle case holder is used only for its intended purpose.
- Always inspect the case holder before use to ensure it is free from damage.
- Keep the case holder out of reach of children and unauthorized users.
- Follow all manufacturer instructions for use and maintenance.
- Report any unsafe products or accidents to relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the case holder only with compatible cases:
 - Fired cases for FIRED Case Holders.
 - New, unfired brass or fulllength sized cases for NEW Case Holders.
- Avoid using the case holder with cases that show signs of excessive wear or damage.
- Ensure that the case is securely held in place before operating any trimming or reaming tools.
- Always wear appropriate safety gear, such as eye protection, when using trimming or reaming tools.
- Do not exceed the manufacturer's recommendations for trimming or reaming operations.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and safety equipment.
- Ensure your workspace is clean and free from distractions.

2. Installation of the Case Holder:

- Select the appropriate L.E. Wilson Case Holder for your specific case type (Fired or New).
- Insert the case into the holder, ensuring it fits snugly and securely.
- Check that the case body is supported correctly, resembling the chamber of a firearm.

3. Using the Case Holder:

- Attach the case holder to the trimming or reaming tool as per the manufacturer's instructions.
- Adjust the tool settings according to the type of operation (trimming, reaming, deburring).
- Operate the tool slowly and steadily, monitoring the case for any signs of movement or instability.
- After completing the operation, carefully remove the case from the holder.

Disposal Instructions

- Dispose of any damaged or worn case holders in accordance with local waste disposal regulations.
- Recycle materials where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the L.E. Wilson Rifle Case Holder, please refer to the manufacturer's website or contact their customer service for assistance.
