

# RIFLE CASE HOLDERS - 284 WINCHESTER FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson Rifle Case Holders

## Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. The Rifle Case Holder is designed to hold cases securely during trimming, primer pocket reaming, neck reaming, and deburring, ensuring accuracy and uniformity.

## General Safety Guidelines

- Ensure that the Rifle Case Holder is used only for its intended purpose as specified in this guide.
- Always handle firearms and ammunition with care and follow all safety protocols.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the Rifle Case Holder before each use for any signs of damage or wear.
- If you encounter any issues or have concerns about the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Use only the appropriate type of cases specified for the Rifle Case Holder (Fired, New, Neck, or Full Length sized cases).
- Avoid using cases that show signs of significant wear or damage.
- Always wear safety glasses when performing reloading tasks to protect your eyes from debris.
- Ensure the workspace is clean and free from distractions to maintain focus while using the product.
- Do not exceed the manufacturer's specifications regarding case dimensions and reloading practices.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and materials, including the L.E. Wilson Rifle Case Holder, trimming tools, and safety equipment.
- Ensure that you are working in a wellventilated area with proper lighting.

### 2. Installation

- Insert the case into the Rifle Case Holder, ensuring it is seated securely.
- Check that the case holder supports the case body effectively, similar to how a chamber supports a cartridge.
- Confirm that the holder is compatible with the type of case you are using (Fired, New, Neck, or Full Length sized).

### 3. Usage

- Follow the specific instructions for trimming, reaming, or deburring as per your tools' guidelines.
- Maintain a steady hand and focus while operating the tools to ensure precision.
- After use, remove the case from the holder and inspect it for any signs of damage.

### 4. PostUsage Care

- Clean the Rifle Case Holder after each use to remove any debris or residue.

- Store the holder in a dry place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of the Rifle Case Holder responsibly when it reaches the end of its life cycle.
- Follow local regulations for the disposal of nonfood products.
- If the product is damaged, consider recycling it if possible, or consult local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the L.E. Wilson Rifle Case Holder, please refer to the manufacturer's website or customer support channels for assistance.

By following these safety instructions and guidelines, you can ensure the safe and effective use of your L.E. Wilson Rifle Case Holder. Thank you for your attention to safety and responsible reloading practices.
