

RIFLE CASE HOLDERS - 308 WINCHESTER FAMILY NEW CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for L.E. Wilson Rifle Case Holder

Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder. This product is designed to provide support for trimming, primer pocket reaming, neck reaming, and deburring of your rifle cases. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Check for any visible damage or defects before use. Do not use a damaged product.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses, when using this product.
- Be aware of your surroundings and ensure that your workspace is clean and free of hazards.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the L.E. Wilson Rifle Case Holder with compatible cases: 308 Winchester, 243 Winchester, and 260 Remington.
- Use NEW Case Holders exclusively with new, unfired brass or cases that have been fulllength sized.
- Use FIRED Case Holders only with necksized cases.
- Ensure the case is securely held in place before performing any trimming or reaming operations.
- Do not attempt to modify or alter the case holder in any way.
- Avoid placing hands or fingers near moving parts during operation.
- Always follow the specific instructions for trimming, reaming, and deburring provided by the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure that your work area is clean and organized.
- Select the appropriate case holder based on whether you are using a new or fired case.
- Insert the case into the holder, ensuring it is properly seated and secure.
- Attach the case holder to the trimmer securely according to the manufacturer's guidelines.

2. Usage:

- Before starting, doublecheck that all safety gear is worn, including safety glasses.
- Begin trimming or reaming by following the specific instructions for your trimmer.
- Monitor the case holder and case for any signs of slippage or instability during operation.
- Once the operation is complete, carefully remove the case from the holder.

3. PostUsage Care:

- Clean the case holder after use to remove any debris or residue.
- Store the case holder in a dry and safe location, away from children and pets.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the case holder is damaged beyond repair, check with local authorities for proper disposal methods.
- Do not dispose of the product in regular household waste. Follow local guidelines for hazardous materials if applicable.

Contact Information for Further Support

For any questions or concerns regarding the L.E. Wilson Rifle Case Holder, please refer to the manufacturer's official contact channels. Ensure you have your product details ready for any inquiries.

By following these safety instructions, you can ensure a safe and effective experience with your L.E. Wilson Rifle Case Holder. Thank you for your attention to safety.
