

# RIFLE CASE HOLDERS - L.E. WILSON 22-250 REMINGTON CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson Rifle Case Holders

## Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the case holder.

## General Safety Guidelines

- Ensure the case holder is used only for its intended purpose.
- Always wear appropriate eye protection when using reloading equipment.
- Keep the work area clean and organized to prevent accidents.
- Store the case holder in a dry place, away from moisture and extreme temperatures.
- Do not modify or alter the case holder in any way.
- Keep the case holder out of reach of children and pets.
- If you notice any damage or defects, do not use the case holder and contact the manufacturer for assistance.

## Specific Safety Precautions for Use

### • Handling Cases:

- Always inspect cases for damage before using them with the case holder.
- Use only the appropriate type of case holder for your specific case type (Fired, New, Neck, or Full Length).

### • Trimming and Reaming:

- Ensure the trimmer is securely attached to the case holder before use.
- Avoid placing your fingers near the cutting area during trimming or reaming operations.

### • Deburring:

- Use caution when deburring cases to avoid cuts or injuries.
- Always deburr cases in a controlled manner, keeping hands clear of the cutting edge.

### • General Use:

- Follow the manufacturer's instructions for any additional equipment used with the case holder.
- Do not exceed the recommended operating speeds and pressures.

## Instructions for Installation and Usage

### 1. Installation:

- Select the appropriate L.E. Wilson Case Holder for your specific cartridge (22250 Remington, 250 Savage, 6 mm International).
- Attach the case holder to the trimmer securely.
- Ensure the case holder is properly aligned with the trimmer.

### 2. Usage:

- Insert the case into the holder, ensuring it is seated correctly.
- For trimming, activate the trimmer according to the manufacturer's guidelines.
- For neck reaming and deburring, follow the specific instructions provided with your trimmer and tools.
- After use, remove the case from the holder and clean any debris from the holder.

## **Disposal Instructions**

- Dispose of any damaged or worn case holders in accordance with local regulations.
- Recycle cases and materials whenever possible, following local recycling guidelines.
- Do not dispose of the product in regular household waste if it is deemed hazardous.

## **Contact Information for Further Support**

For any questions or concerns regarding the L.E. Wilson Rifle Case Holder, please refer to the manufacturer's contact information provided with your product packaging or visit their official website for support.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to safety and for choosing L.E. Wilson products.
