

RIFLE CASE HOLDERS - 223 REMINGTON CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instructions for L.E. Wilson Rifle Case Holder

Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder for your reloading needs. This product is designed to provide accuracy and uniformity while trimming, reaming, and deburring your rifle cases. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the Rifle Case Holder in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean, dry, and welllit to avoid accidents.
- Keep the Rifle Case Holder out of reach of children and unauthorized users.
- Inspect the Rifle Case Holder before each use for any signs of damage or wear.
- Do not use the Rifle Case Holder if it is damaged or malfunctioning.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the Rifle Case Holder with compatible cartridges: 223 Remington, 222 Remington, 17 Remington.
- Ensure that the cases being trimmed or reamed are either fired or new, as specified.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when operating the case holder.
- Avoid wearing loose clothing or jewelry that could become caught in machinery.
- Do not attempt to modify or alter the Rifle Case Holder in any way.
- Ensure that all safety guards are in place before operating the equipment.

Instructions for Installation and Usage

1. Setup:

- Place the Rifle Case Holder on a stable surface.
- Ensure that the holder is securely attached to the trimmer or reaming tool as per the manufacturer's instructions.

2. Loading the Case:

- Insert the case into the Rifle Case Holder, ensuring it is properly seated.
- Check that the case is held firmly in place before proceeding.

3. Trimming/Reaming:

- Follow the specific instructions for your trimmer or reaming tool.
- Operate the tool slowly and steadily to ensure precision.
- Do not force the case; let the tool do the work to avoid damaging the case or the holder.

4. PostUse:

- Remove the case from the holder after use.
- Clean the Rifle Case Holder according to the manufacturer's recommendations to maintain its condition.

Disposal Instructions

- Dispose of any damaged or worn components of the Rifle Case Holder in accordance with local regulations.
- If the product is no longer usable, consider recycling the materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the L.E. Wilson Rifle Case Holder, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority, and following these instructions will help ensure a safe and effective reloading experience.
