

# RIFLE CASE HOLDERS - 308 WINCHESTER FAMILY FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson Rifle Case Holder

## Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder designed for trimming and reaming cases for the 308 Winchester family. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read all instructions carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the case holder for any signs of wear or damage before use.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses when using the product.
- Follow all local regulations and guidelines regarding the use of reloading equipment.

## Specific Safety Precautions for Use

- Do not exceed the recommended specifications for case sizes and types.
- Avoid using the case holder with damaged or deformed cases.
- Ensure the case holder is securely attached to the trimmer before use.
- Never place your fingers near the cutting area during operation.
- Use the case holder in a wellventilated area to avoid inhalation of dust or debris.
- Keep work areas clean and free from clutter to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the trimmer is turned off and unplugged before installation.
- Select the appropriate case holder for the type of case you are using (Fired or New).
- Attach the case holder securely to the trimmer according to the manufacturer's instructions.
- Check that the case holder is properly aligned and stable before proceeding.

### 2. Usage:

- Place the case into the case holder, ensuring a snug fit.
- Turn on the trimmer and allow it to reach the desired speed.
- Carefully guide the case through the trimming, reaming, or deburring process.
- Monitor the operation closely to ensure safety and effectiveness.
- Once finished, turn off the trimmer and carefully remove the case from the holder.

## Disposal Instructions

- Dispose of any damaged or wornout case holders in accordance with local waste management regulations.
- If the product is no longer in use, consider recycling it if possible. Check with local recycling programs for guidance.

## **Contact Information for Further Support**

For any safety inquiries or product support, please contact the manufacturer or check the official website for additional resources.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the L.E. Wilson Rifle Case Holder. Always prioritize safety and adhere to best practices when using this product. Thank you for your attention to these important guidelines.
