BUSHING BUMP NECK SIZING BUSHINGS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Forster Bushing Bump Neck Sizing Bushings. This product is designed to ensure precise neck sizing for your reloading needs. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this product.
- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the bushing for any signs of wear or damage before each use.
- If you notice any defects, discontinue use immediately and contact the manufacturer.

Specific Safety Precautions for Use

- Use only with Forster Precision Plus Bushing Bump Dies; do not attempt to use with other brands.
- Ensure that the bushing is properly seated in the die before operation.
- Do not exceed the recommended sizing limits; ensure the bushing diameter matches your requirements.
- Avoid using excessive force when sizing cases; this can lead to equipment failure or personal injury.
- Store the bushings in a dry, cool place to prevent corrosion and damage.

Instructions for Installation and Usage

1. Installation of the Bushing:

- Ensure that the die is clean and free from debris.
- Insert the bushing into the die, ensuring it is properly aligned.
- Secure the bushing in place according to the die manufacturer's instructions.

2. Using the Bushing:

- Set the reloading press to the appropriate setting for neck sizing.
- Place the case into the die and apply steady, even pressure to size the neck.
- Inspect the sized case for proper fit and dimensions.

3. PostUse Care:

- Clean the bushing after use to remove any residue or debris.
- Store the bushing in its original packaging or a protective case to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Check for local recycling programs that accept metal components.

Contact Information for Further Support

For any safety inquiries or further support regarding the use of the Forster Bushing Bump Neck Sizing Bushings, please refer to the manufacturer's website or customer service resources.

By following these guidelines, you can ensure safe and effective use of your Forster Bushing Bump Neck Sizing Bushings. Thank you for your attention to safety, and happy reloading!
