## General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not addressed by other EU laws.
- Online shopping platforms must meet the same safety requirements as physical stores.
- Extra safeguards are in place for vulnerable groups, such as children.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use Forster neck sizing bushings with Forster Precision Plus Bushing Bump Dies.
- Do not attempt to interchange these bushings with other brands.
- Handle bushings with care to avoid damage; they are precision instruments.
- Keep bushings out of reach of children.
- Always inspect the bushing for any visible damage before use.
- Use protective eyewear when operating any equipment that involves these bushings.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the work area is clean and free of obstructions.
- Gather all necessary tools and equipment before starting.

### 2. Installation

- Select the appropriate Forster neck sizing bushing based on the size needed for your die.
- Insert the bushing into the die as per the manufacturer's instructions.
- Ensure it is securely fitted and does not move.

### 3. Usage

- Follow the instructions for your specific Forster Precision Plus Bushing Bump Die.
- Apply consistent pressure when sizing the neck to avoid damaging the bushing or the cartridge.
- After use, clean the bushing with a soft cloth to remove debris and maintain its smooth finish.

### 4. PostUsage Care

- Store the bushings in a safe and dry place, preferably in their original packaging.
- Regularly check for wear and tear, and replace if necessary.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings according to local regulations.
- Do not throw bushings in regular trash if they are contaminated or hazardous.
- Consider recycling options if available in your area.
