BUSHING BUMP NECK SIZING BUSHINGS NECK BUSHING .267 DIAMETER Safety Instructions

Introduction

Thank you for choosing the Forster Bushing Bump Neck Sizing Bushings. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the bushing.

General Safety Guidelines

- Ensure that the product is used only with Forster Precision Plus Bushing Bump Dies.
- Do not attempt to use the bushing with other brands, as compatibility is not guaranteed.
- Always inspect the bushing for any visible damage before use.
- Keep the bushing out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper use of the bushing can lead to inaccurate sizing, which may affect the performance of ammunition.
- The bushing may have sharp edges; handle with care to avoid cuts.

- **Avoiding Hazards:**

- Always wear appropriate safety gear, including gloves and eye protection, when handling the bushing.
- Do not exceed the recommended sizing limits to prevent damage to the bushing and ensure safety.
- Use the bushing in a wellventilated area to avoid inhaling any particles generated during use.

- **AgeSpecific Warnings:**

- This product is intended for use by adults only. Keep out of reach of children.

Instructions for Installation and Usage

1. Installation:

- Ensure the Forster Precision Plus Bushing Bump Die is securely mounted in your reloading press.
- Select the appropriate Forster bushing size (.267 diameter) for your specific needs.
- Insert the bushing into the die and secure it according to the manufacturer's instructions.

2. Usage:

- Prepare your brass cases as per standard reloading practices.
- Adjust the die according to your desired neck tension settings, ensuring the bushing is properly aligned.
- Proceed with the reloading process, monitoring for any irregularities in the sizing operation.
- After use, clean the bushing with a soft cloth to remove any debris or residue.

Disposal Instructions

- Dispose of the bushing in accordance with local regulations regarding metal recycling.
- Do not throw the bushing in regular household waste, as it may contain materials that require special handling.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the Forster Bushing Bump Neck Sizing Bushings, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safe and effective experience with your Forster Bushing Bump Neck Sizing Bushings. Thank you for your attention to these important safety measures.
