# BUSHING BUMP NECK SIZING BUSHINGS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Forster Bushing Bump Neck Sizing Bushings. This guide provides important safety instructions and information to ensure the safe use of your product. Please read this guide thoroughly before using your bushing sizing tool.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always handle the bushings with care to avoid injuries.
- Keep the bushings out of reach of children and vulnerable individuals.
- Regularly inspect the bushings for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Specific Safety Precautions for Use

- Always use the Forster Bushing Bump Neck Sizing Bushings with the compatible Forster Precision Plus Bushing Bump Dies.
- Do not attempt to use these bushings with any other brand's dies or bushings; they are not interchangeable.
- Wear safety glasses to protect your eyes from any debris or particles that may be produced during the reloading process.
- Avoid wearing loose clothing or jewelry that could become caught in the equipment during use.
- Ensure that your work area is clean and free of clutter to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation of the Bushing:

- Ensure that the Forster Precision Plus Bushing Bump Die is properly set up according to the manufacturer's instructions.
- Select the appropriate bushing size (.331 diameter) for your needs.
- Carefully insert the bushing into the die, ensuring it is seated correctly.

### 2. Using the Bushing:

- Prepare your cartridge cases for sizing as per standard reloading procedures.
- Insert the cartridge case into the die with the installed bushing.
- Apply steady pressure using your reloading press to size the neck of the cartridge case.
- Check the dimensions of the case after sizing to ensure proper fit.

### 3. PostUse Care:

- After use, clean the bushing with a soft cloth to remove any debris or residue.
- Store the bushings in a safe, dry place, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not throw bushings in regular trash; consider recycling options where available.

- Ensure that any safety hazards are mitigated before disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of your Forster Bushing Bump Neck Sizing Bushings, please refer to the manufacturer's website or customer service for assistance. Always ensure you have the latest safety information and product updates.

By following these guidelines, you will ensure a safe and effective experience with your Forster Bushing Bump Neck Sizing Bushings. Thank you for your attention to safety.
