Safety Instruction Guide for Bushing Bump Neck Sizing Bushings

Introduction

Thank you for choosing the Bushing Bump Neck Sizing Bushings by Forster Products, Inc. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully to understand how to use the bushings correctly and safely.

General Safety Guidelines

- Ensure that the bushings are used only with Forster Precision Plus Bushing Bump Dies. They are not interchangeable with other brands.
- Always inspect the bushings for any signs of damage or wear before use.
- Keep the bushings out of reach of children and pets.
- Report any unsafe conditions or incidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
 - Always wear safety glasses when using the bushings to protect your eyes from any debris.
 - Use gloves to prevent skin irritation from handling the bushings.
- **Handling:**
 - Handle the bushings with care to avoid dropping or damaging them.
 - Do not attempt to modify or alter the bushings in any way.
- **Storage:**
 - Store the bushings in a cool, dry place away from direct sunlight.
 - Ensure that the bushings are stored in their original packaging or a protective case.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and equipment before starting the installation process.
- Ensure that the workspace is clean and free from distractions.

2. Installation:

- Carefully remove the bushing from its packaging.
- Insert the bushing into the Forster Precision Plus Bushing Bump Die according to the manufacturer's instructions.
- Ensure that the bushing is securely fitted and properly aligned.

3. Usage:

- Follow the specific usage instructions provided with the Forster Precision Plus Bushing Bump Die.
- Do not exceed the recommended pressure or force when using the bushings.

- Monitor the performance of the bushings during use and stop immediately if any irregularities are detected.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not throw bushings in regular household waste. Instead, check with your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Bushing Bump Neck Sizing Bushings, please refer to the contact details provided with your product packaging or visit the manufacturer's website for more information.

Thank you for following these safety guidelines. Your safety is our priority, and we hope you enjoy using the Bushing Bump Neck Sizing Bushings by Forster Products, Inc.
