

# BULLET PULLER COLLET - RCBS 338 CALIBER BULLET PULLER COLLET

[Reloading](#) > [Case Preparation](#) > [Bullet Pullers](#)

This collet type bullet puller from RCBS will pull jacketed bullets from .17 caliber through 50 caliber with the appropriate collet (order collets separately from chart) installed in the puller body. Puller can be used in any 7/8-14 single stage reloading press. RCBS states that the collets do not damage jacketed bullets. Not for rimfire ammunition.

# BULLET PULLER COLLET RCBS 338 CALIBER Safety Instruction Guide

## Introduction

Thank you for choosing the BULLET PULLER COLLET RCBS 338 CALIBER. This product is designed to safely and effectively remove jacketed bullets from cartridges. It is crucial to follow the safety instructions outlined in this guide to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read the instructions carefully before using the bullet puller.
- Ensure that the bullet puller is used in a wellventilated area to avoid inhalation of any dust or debris.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the bullet puller and collets for any damage before each use. Do not use if damaged.
- Only use the bullet puller with appropriate collets as specified by the manufacturer.
- Follow all local laws and regulations regarding ammunition handling and reloading.

## Specific Safety Precautions for Use

- Do not use the bullet puller for rimfire ammunition.
- Ensure that the bullet puller is securely attached to a compatible 7/814 single stage reloading press before use.
- Always wear safety glasses to protect your eyes from potential debris.
- Use caution when handling bullets and ammunition to avoid accidental discharge.
- Do not exceed the specified caliber limits for the bullet puller and collets.
- Avoid wearing loose clothing or jewelry that could become caught in the equipment.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the reloading press is securely mounted and stable.
- Select the appropriate collet for the caliber you are using (338 caliber in this case).
- Follow the collet installation instructions provided by the manufacturer to attach the collet to the bullet puller.
- Insert the bullet puller into the reloading press.

### 2. Usage

- Place the cartridge with the bullet into the collet.
- Securely tighten the collet to hold the bullet in place.
- Pull the handle of the reloading press to activate the bullet puller.
- Once the bullet is removed, release the collet and carefully remove the bullet from the puller.
- Inspect the bullet for any damage before disposal or reuse.

## Disposal Instructions

- Dispose of any damaged or unusable bullets and cartridges in accordance with local regulations.
- Do not dispose of the bullet puller or collets in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please consult the manufacturer's website or contact your local distributor for assistance. Always ensure to keep your purchase receipt and product information for warranty and support purposes.

By following these safety instructions, you can ensure a safe and effective experience with the BULLET PULLER COLLET RCBS 338 CALIBER. Thank you for your attention to safety.
