

# BULLET PULLER COLLET - RCBS 8MM BULLET PULLER COLLET

[Reloading](#) > [Case Preparation](#) > [Bullet Pullers](#)

This collet type bullet puller from RCBS will pull jacketed bullets from .17 caliber through 50 caliber with the appropriate collet (order collets separately from chart) installed in the puller body. Puller can be used in any 7/8-14 single stage reloading press. RCBS states that the collets do not damage jacketed bullets. Not for rimfire ammunition.

# BULLET PULLER COLLET RCBS 8MM Safety Instruction Guide

## Introduction

Thank you for choosing the BULLET PULLER COLLET RCBS 8MM. This product is designed to safely and effectively pull jacketed bullets from .17 caliber through 50 caliber when used with the appropriate collet. Please read this safety instruction guide carefully to ensure safe use and compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Keep this product out of reach of children and vulnerable individuals.
- Inspect the bullet puller and collets for any damage before use.
- Use the product only for its intended purpose as specified in the product description.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the bullet puller for rimfire ammunition.
- Ensure that the correct collet is installed for the caliber of the bullet being pulled.
- Wear safety goggles to protect your eyes from potential debris.
- Use the bullet puller in a wellventilated area to avoid inhaling any fumes.
- Keep hands away from the pulling mechanism during operation to prevent injury.
- Do not exceed the maximum caliber limit specified for this product.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the bullet puller, appropriate collet, and a single stage reloading press.
- Ensure that your workspace is clean and organized.

### 2. Installation:

- Select the appropriate collet for the bullet caliber you will be using.
- Install the collet into the puller body according to the manufacturer's instructions.
- Secure the puller into your 7/814 single stage reloading press.

### 3. Using the Bullet Puller:

- Place the bullet to be pulled into the collet.
- Ensure that the bullet is seated correctly and securely in the collet.
- Operate the reloading press to pull the bullet out of the cartridge case.
- After pulling, inspect the bullet and the collet for any signs of damage.

### 4. PostUsage:

- Clean the bullet puller and collet after each use to maintain their functionality.
- Store the bullet puller and collets in a safe and dry place, away from children.

## **Disposal Instructions**

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not throw the product in household waste. Check for local recycling programs that accept metal and plastic components.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the BULLET PULLER COLLET RCBS 8MM, please refer to the manufacturer's contact information provided with the product packaging or on their official website.

By following these safety instructions, you can ensure a safe and effective experience with your BULLET PULLER COLLET RCBS 8MM. Thank you for prioritizing safety!
