

BULLET PULLER COLLET - RCBS 40 CALIBER BULLET PULLER COLLET

[Reloading](#) > [Case Preparation](#) > [Bullet Pullers](#)

This collet type bullet puller from RCBS will pull jacketed bullets from .17 caliber through 50 caliber with the appropriate collet (order collets separately from chart) installed in the puller body. Puller can be used in any 7/8-14 single stage reloading press. RCBS states that the collets do not damage jacketed bullets. Not for rimfire ammunition.

BULLET PULLER COLLET RCBS 40 CALIBER Safety Instruction Guide

Introduction

Thank you for choosing the RCBS Bullet Puller Collet for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before using the bullet puller.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the bullet puller is used in a wellventilated area.
- Keep the bullet puller and its components out of reach of children.
- Regularly inspect the bullet puller for any signs of wear or damage before use.
- Do not use the bullet puller for any purpose other than its intended use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only the appropriate collet for the caliber of the bullet being pulled (.17 caliber through 50 caliber).
- Ensure that the collet is securely installed in the puller body before use.
- Do not attempt to pull rimfire ammunition with this bullet puller.
- Avoid placing your hands or any body parts near the puller during operation.
- Do not exceed the recommended pressure when using the puller to avoid damage or accidents.
- Always wear safety glasses to protect your eyes from potential debris.

Instructions for Installation and Usage

1. Installation of Collet:

- Select the appropriate collet for the bullet caliber you are working with.
- Remove the puller body from the reloading press.
- Insert the selected collet into the puller body until it is securely in place.

2. Using the Bullet Puller:

- Place the bullet to be pulled in the collet.
- Reattach the puller body to the 7/814 single stage reloading press.
- Firmly grip the handle of the press and apply steady pressure to pull the bullet from the cartridge.
- Once the bullet is removed, carefully disengage the collet from the bullet.

3. PostUse Care:

- Clean the bullet puller and collet after each use to prevent residue buildup.
- Store the bullet puller and collets in a safe, dry place.

Disposal Instructions

- Dispose of any damaged or worn components of the bullet puller in accordance with local regulations.
- Do not dispose of the bullet puller in household waste. Check for local recycling programs or hazardous waste disposal sites.

Contact Information for Further Support

For any questions or concerns regarding the use of the RCBS Bullet Puller Collet, please refer to the manufacturer's contact details provided with your product packaging. Additionally, you can consult the EU Safety Gate platform for product safety updates and recalls.

Thank you for prioritizing safety while using the RCBS Bullet Puller Collet. Your attention to these guidelines helps ensure a safe reloading experience.
