

BULLET PULLER COLLET - RCBS 44 CALIBER BULLET PULLER COLLET

[Reloading](#) > [Case Preparation](#) > [Bullet Pullers](#)

This collet type bullet puller from RCBS will pull jacketed bullets from .17 caliber through 50 caliber with the appropriate collet (order collets separately from chart) installed in the puller body. Puller can be used in any 7/8-14 single stage reloading press. RCBS states that the collets do not damage jacketed bullets. Not for rimfire ammunition.

Safety Instruction Guide for BULLET PULLER COLLET RCBS 44 CALIBER

Introduction

Thank you for choosing the BULLET PULLER COLLET RCBS 44 CALIBER. This product is designed to safely pull jacketed bullets from .17 caliber through 50 caliber with the appropriate collet installed. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate safety gear, including eye protection, when using the bullet puller.
- Keep the workspace clean and free from distractions to avoid accidents.
- Do not use the bullet puller for rimfire ammunition.
- Always check that the bullet puller is in good working condition before use.
- Follow all local laws and regulations regarding ammunition handling and reloading.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from improper use or malfunction.
 - Risk of damaging bullets if the wrong collet is used.
- **Avoiding Hazards:**
 - Always ensure the correct collet is installed for the caliber being used.
 - Do not exceed the manufacturer's specified caliber range.
 - Never attempt to modify or repair the bullet puller yourself.
 - Keep fingers and hands clear of moving parts during operation.
 - Do not use the bullet puller if it appears damaged or worn.
- **Age Restrictions:**
 - This product is intended for adult use only. Keep out of reach of children.

Instructions for Installation and Usage

1. Installation:

- Select the appropriate collet for the caliber of bullet you are working with (order collets separately).
- Ensure the bullet puller is securely attached to a 7/814 single stage reloading press.
- Insert the collet into the puller body until it is firmly seated.

2. Usage:

- Place the bullet to be pulled into the collet.
- Ensure that the bullet is properly aligned and secured in the collet.
- Operate the reloading press to pull the bullet from the cartridge case.
- After pulling, check the bullet and collet for any signs of damage before reuse.

3. **PostUsage:**

- Clean the bullet puller and collets after each use to maintain optimal performance.
- Store the bullet puller and collets in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- If the bullet puller is no longer usable, consider recycling parts where possible.
- Do not dispose of the bullet puller in regular household waste.

Contact Information for Further Support

For any safety inquiries or support related to the BULLET PULLER COLLET RCBS 44 CALIBER, please refer to the manufacturer's contact information provided with your product.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and effective experience with the BULLET PULLER COLLET RCBS 44 CALIBER. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for choosing our product, and happy reloading!
