# Safety Instruction Guide for DIE DECAPPING UNITS

## Introduction

Thank you for choosing the Forster Sizing Die Decapping Unit for .257 Weatherby Magnum. This product is designed to help you safely and effectively decap cases during reloading. Please read this safety instruction guide carefully to ensure proper use and to minimize any risks associated with the product.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Store the product in a dry, safe place away from children and pets.
- Regularly inspect the decapping assembly for any signs of wear or damage.
- Use personal protective equipment (PPE) such as safety glasses when handling reloading equipment.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Handle the decapping unit carefully to avoid injury from sharp components.
- Ensure that the unit is securely attached to the reloading press before use.
- Do not use the decapping unit with incompatible cartridges.
- Keep hands and body clear of the decapping area during operation.
- Never attempt to modify or alter the decapping unit.
- Follow proper procedures for the disposal of spent primers and other materials.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before beginning the installation process.
- Ensure that your reloading press is clean and free of debris.

### 2. Installation:

- Remove the existing decapping assembly from your Forster Full Length or Neck Sizing Die.
- Insert the new decapping assembly into the die, ensuring that it is properly aligned.
- Secure the assembly using the lock nut and spindle bushing, making sure it is tight.
- Attach the expander ball to the decap rod if not already installed.

### 3. Usage:

- Place a cartridge case into the shell holder of the reloading press.
- Operate the press to raise the ram, allowing the decapping pin to enter the primer pocket.
- Continue to operate the press until the decapping process is complete.
- Inspect the decapped cases for any remaining debris or damage.

### 4. PostUsage:

- Clean the decapping unit after use to remove any residue.
- Store the unit in its original packaging or a safe place to prevent damage.

## **Disposal Instructions**

- Dispose of spent primers and any other waste materials in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs for metal components.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of the DIE DECAPPING UNIT, please contact your local distributor or visit the Forster website for more information.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your Forster Sizing Die Decapping Unit. Always prioritize safety and adhere to best practices while reloading. Thank you for your attention to these important guidelines.
