Safety Instruction Guide for Forster Products, Inc.

Sizing Die Decapping Unit 6.5x47 Lapua

Introduction

Thank you for choosing the Forster Products Sizing Die Decapping Unit for your reloading needs. This guide provides essential safety instructions to ensure the safe use of this product. Please read the following guidelines carefully to avoid any potential hazards.

General Safety Guidelines

- Always ensure that the workspace is clean and free of clutter before starting any reloading activities.
- Use the product only for its intended purpose as specified in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the decapping assembly for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while handling the decapping unit.
- Avoid direct contact with the decapping pin and other sharp components to prevent injury.
- Ensure that the decapping unit is securely attached to the sizing die before use.
- Do not exceed the recommended cartridge specifications for the decapping unit.
- Be aware of the potential hazards associated with handling ammunition components, including lead exposure.

Instructions for Installation and Usage

1. Installation of the Decapping Assembly:

- Ensure that the sizing die is clean and free from any debris.
- Insert the decap rod into the die, ensuring it is aligned properly.
- Secure the spindle bushing and lock nut to hold the decap rod in place.
- Attach the expander ball to the decap rod, ensuring a snug fit.
- Insert the correct decapping pin into the designated slot.

2. Usage Instructions:

- Place the cartridge into the sizing die, ensuring it is seated correctly.
- Operate the reloading press smoothly and steadily to avoid damaging the decapping assembly.
- After decapping, inspect the cartridge and decapping assembly for any signs of damage or wear.
- Clean the decapping unit after each use to maintain optimal performance.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, contact local waste management authorities for proper disposal methods.
- Ensure that all hazardous materials, such as lead, are handled and disposed of safely.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Forster Products Sizing Die Decapping Unit, please refer to the contact information provided with the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for choosing Forster Products, Inc.
