

BULLET PULLER COLLET - RCBS 17 CALIBER BULLET PULLER COLLET

[Reloading](#) > [Case Preparation](#) > [Bullet Pullers](#)

This collet type bullet puller from RCBS will pull jacketed bullets from .17 caliber through 50 caliber with the appropriate collet (order collets separately from chart) installed in the puller body. Puller can be used in any 7/8-14 single stage reloading press. RCBS states that the collets do not damage jacketed bullets. Not for rimfire ammunition.

BULLET PULLER COLLET RCBS 17 CALIBER Safety Instruction Guide

Introduction

Thank you for purchasing the BULLET PULLER COLLET RCBS 17 CALIBER. This product is designed to safely and effectively pull jacketed bullets from .17 caliber to .50 caliber when used with the appropriate collet. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the bullet puller is used only for its intended purpose.
- Always inspect the product before use for any signs of damage or wear.
- Keep this product out of reach of children and vulnerable individuals.
- Do not use the bullet puller with rimfire ammunition.
- Always follow the manufacturer's instructions for safe operation.
- Report any unsafe product incidents or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when using the bullet puller.
- Make sure the bullet puller is securely attached to a compatible 7/814 single stage reloading press before use.
- Avoid using excessive force when pulling bullets to prevent damage to the collet and the bullet.
- Do not attempt to modify the bullet puller or use it in ways not specified by the manufacturer.
- Ensure that your workspace is clean and free from obstructions to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the bullet puller, appropriate collet, and a compatible reloading press.
- Ensure your workspace is welllit and organized.

2. Installation:

- Select the correct collet for the bullet caliber you are working with.
- Install the collet into the puller body according to the manufacturer's instructions.
- Securely attach the bullet puller to your 7/814 single stage reloading press.

3. Usage:

- Place the cartridge with the bullet you wish to pull into the bullet puller.
- Firmly close the bullet puller to grip the bullet securely.
- Operate the press handle to pull the bullet from the cartridge. Use steady and controlled force.
- Once the bullet is removed, carefully release the pressure and remove the bullet from the collet.

4. PostUse:

- After use, clean the bullet puller and collet to remove any debris.

- Store the bullet puller and collets in a safe place, away from children and unauthorized users.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- If the bullet puller is no longer usable, consider recycling the metal components where possible.
- Do not dispose of the bullet puller in household waste.

Contact Information for Further Support

For any further inquiries regarding safety, usage, or product support, please refer to the manufacturer's website or customer service for assistance.

By following these instructions, you can ensure safe and effective use of the BULLET PULLER COLLET RCBS 17 CALIBER. Thank you for your attention to safety and compliance.
