

# BULLET PULLER COLLET - RCBS 7MM BULLET PULLER COLLET

[Reloading](#) > [Case Preparation](#) > [Bullet Pullers](#)

This collet type bullet puller from RCBS will pull jacketed bullets from .17 caliber through 50 caliber with the appropriate collet (order collets separately from chart) installed in the puller body. Puller can be used in any 7/8-14 single stage reloading press. RCBS states that the collets do not damage jacketed bullets. Not for rimfire ammunition.

# BULLET PULLER COLLET RCBS 7MM Safety Instruction Guide

## Introduction

Thank you for purchasing the BULLET PULLER COLLET RCBS 7MM. This guide provides essential safety information and instructions for the safe use of the bullet puller. It is important to read and understand these guidelines to ensure safe handling and operation of the product.

## General Safety Guidelines

- Always handle the bullet puller with care and keep it out of reach of children.
- Ensure that you are using the correct collet for the bullet caliber you intend to pull.
- Do not use the bullet puller on rimfire ammunition.
- Always wear appropriate safety gear, including eye protection, when using the bullet puller.
- Inspect the bullet puller and collets for damage before each use. Do not use if damaged.
- Follow all local laws and regulations regarding ammunition handling and reloading.

## Specific Safety Precautions for Use

- Ensure that the bullet puller is securely attached to a stable reloading press before use.
- Keep hands and other body parts clear of the puller's moving parts during operation.
- Do not exceed the maximum caliber specifications of the bullet puller.
- Avoid using excessive force when pulling bullets, as this may cause damage to the bullet puller or injury.
- Store the bullet puller in a dry place and away from direct sunlight to prevent deterioration.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is clean and properly set up.
- Select the appropriate collet for the bullet caliber you will be pulling (sold separately).
- Insert the collet into the puller body securely.
- Attach the bullet puller to your 7/814 single stage reloading press according to the manufacturer's instructions.

### 2. Usage:

- Place the cartridge with the bullet to be pulled into the collet.
- Firmly close the press handle to engage the bullet puller with the bullet.
- Pull the handle back to extract the bullet from the cartridge. Use steady and controlled force.
- After pulling, check the bullet and cartridge for any signs of damage.

## Disposal Instructions

- Dispose of any damaged or unusable bullet pullers and collets in accordance with local regulations.
- Do not dispose of any ammunition or components in regular household waste. Follow local laws for hazardous waste disposal.

## Contact Information for Further Support

For any questions or concerns regarding the BULLET PULLER COLLET RCBS 7MM, please refer to the

manufacturer's contact information provided with the product packaging or visit the manufacturer's website for support.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your BULLET PULLER COLLET RCBS 7MM. Thank you for prioritizing safety in your reloading activities.
