

# BULLET PULLER COLLET - RCBS 6.5MM BULLET PULLER COLLET

[Reloading](#) > [Case Preparation](#) > [Bullet Pullers](#)

This collet type bullet puller from RCBS will pull jacketed bullets from .17 caliber through 50 caliber with the appropriate collet (order collets separately from chart) installed in the puller body. Puller can be used in any 7/8-14 single stage reloading press. RCBS states that the collets do not damage jacketed bullets. Not for rimfire ammunition.

# Safety Instruction Guide for BULLET PULLER COLLET RCBS 6.5MM

## Introduction

Thank you for choosing the BULLET PULLER COLLET RCBS 6.5MM. This product is designed to safely and effectively pull jacketed bullets from various calibers. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that you are familiar with the operation of your reloading press before using the bullet puller.
- Always follow the manufacturer's instructions for your reloading press and the bullet puller.
- Keep the bullet puller and collets out of reach of children and vulnerable individuals.
- Inspect the bullet puller and collets for any damage before use. Do not use if damaged.
- Use the bullet puller only for its intended purpose. It is not designed for rimfire ammunition.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the bullet puller.

## Specific Safety Precautions for Use

- Only use the BULLET PULLER COLLET RCBS 6.5MM with jacketed bullets from .17 caliber through .50 caliber when the appropriate collet is installed.
- Ensure that the collet is securely attached before using the bullet puller.
- Avoid placing your hands or any body parts near the bullet puller during operation.
- Do not force the bullet puller if it does not operate smoothly. Check for obstructions or misalignment.
- Store the bullet puller and collets in a dry and safe location when not in use.

## Instructions for Installation and Usage

### 1. Installation of the Collet:

- Select the appropriate collet for the caliber of the bullet you are pulling.
- Insert the collet into the puller body, ensuring it is properly seated.
- Tighten the collet securely according to the manufacturer's instructions.

### 2. Using the Bullet Puller:

- Attach the bullet puller to your 7/814 single stage reloading press.
- Place the cartridge with the bullet to be pulled into the bullet puller.
- Operate the reloading press to pull the bullet. Ensure that you maintain a safe distance from the moving parts.
- Once the bullet is pulled, carefully remove it from the collet.

### 3. PostUse Care:

- After use, clean the bullet puller and collets to remove any debris or residue.
- Inspect the bullet puller and collets for any signs of wear or damage.
- Store the bullet puller and collets in a safe place, away from children and pets.

## **Disposal Instructions**

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not dispose of the bullet puller or collets in regular household waste. Check with local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the BULLET PULLER COLLET RCBS 6.5MM, please refer to the manufacturer's website or customer service for assistance. It is important to have access to support for any safety inquiries or productrelated issues.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the BULLET PULLER COLLET RCBS 6.5MM. Always prioritize safety and compliance with regulations while using this product. Thank you for your attention to these important guidelines.
