

# **BULLET PULLER COLLET - RCBS 22 CALIBER BULLET PULLER COLLET**

[Reloading](#) > [Case Preparation](#) > [Bullet Pullers](#)

This collet type bullet puller from RCBS will pull jacketed bullets from .17 caliber through 50 caliber with the appropriate collet (order collets separately from chart) installed in the puller body. Puller can be used in any 7/8-14 single stage reloading press. RCBS states that the collets do not damage jacketed bullets. Not for rimfire ammunition.

# Safety Instruction Guide for RCBS 22 Caliber Bullet Puller Collet

## Introduction

Thank you for choosing the RCBS 22 Caliber Bullet Puller Collet. This product is designed to safely and effectively pull jacketed bullets from various calibers. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always follow the manufacturer's instructions for safe operation.
- Ensure the bullet puller is used in a wellventilated area.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bullet puller for any signs of wear or damage.
- Report any unsafe products or incidents to local authorities.
- Stay informed about product recalls via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the bullet puller for rimfire ammunition.
- Ensure the appropriate collet is installed for the caliber being used.
- Do not exceed the recommended caliber range of .17 to .50 caliber.
- Always wear safety goggles to protect your eyes from potential debris.
- Maintain a safe distance from other individuals while using the bullet puller.
- Avoid using the bullet puller if you are tired or under the influence of substances.

## Instructions for Installation and Usage

### 1. Installation of Collet:

- Select the appropriate collet for the caliber you are working with (22 Caliber in this case).
- Ensure the collet is clean and free from debris before installation.
- Securely attach the collet to the puller body according to the manufacturer's instructions.

### 2. Using the Bullet Puller:

- Place the bullet puller in your 7/814 single stage reloading press.
- Insert the cartridge case with the bullet into the collet.
- Activate the press to pull the bullet from the cartridge case.
- Once the bullet is removed, inspect it for any damage.

### 3. PostUse Care:

- Clean the bullet puller and collet after each use to maintain functionality.
- Store the bullet puller in a dry place, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the bullet puller in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the RCBS 22 Caliber Bullet Puller Collet, please reach out to the designated EU contact point provided with your product packaging.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the RCBS Bullet Puller.
