[Shooting Accessories](#) > [Targets & Accessories](#) > [Paper Targets](#)

These targets represent the 100 yard target used in registered benchrest matches. They are sticky enough to stay in place in the wind, but are easily removed. The nice thing is they take up very little space in your gear box. If you keep them there, you will always have targets at the range. 250 targets per roll. At this price, they figure out to about \$.05 per target.

# Safety Instruction Guide for BENCHREST TARGETS ON A ROLL (250)

## Introduction

Thank you for choosing BENCHREST TARGETS ON A ROLL (250) by Sinclair International. These targets are designed for use in registered benchrest matches and provide a reliable and practical solution for your shooting needs. This guide outlines essential safety information, usage instructions, and disposal guidelines to ensure your safety and the safety of others while using this product.

## General Safety Guidelines

- Always use targets in a controlled environment, such as a designated shooting range.
- Ensure that all participants are familiar with shooting safety protocols before use.
- Keep targets out of reach of children and pets to prevent accidental use or ingestion.
- Regularly inspect targets for any signs of damage before use.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the shooting area is clear of bystanders and that a safe backdrop is present.
- Avoid using targets in windy conditions that could affect their stability and placement.
- Do not attempt to modify or alter the targets in any way.
- If using adhesive targets, ensure that the adhesive is properly applied to avoid accidental detachment during use.
- Dispose of any damaged or unusable targets immediately to prevent misuse.

## Instructions for Installation and Usage

### 1. Preparation:

- Remove the desired number of targets from the roll.
- Ensure the shooting area is safe and secure.

### 2. Placement:

- Peel the target from the roll and position it on a flat, clean surface or target stand.
- Press firmly to ensure the target adheres well, especially in outdoor conditions.

### 3. Shooting:

- Use appropriate firearms and ammunition that comply with local regulations.
- Always wear protective eyewear and hearing protection when shooting.
- Follow all local laws and regulations regarding shooting practices.

### 4. PostShooting:

- After shooting, carefully remove the targets from the shooting area.
- Dispose of used targets responsibly.

## Disposal Instructions

- Dispose of used or damaged targets in accordance with local waste disposal regulations.

- Do not burn or incinerate targets, as this may release harmful substances.
- If the targets are made of materials that can be recycled, follow local recycling guidelines.
