

STAINLESS STEEL LARGE CALIBER EXPANDER MANDRELS - LARGE CALIBER STAINLESS EXPANDER MANDREL, 408 CALIBER(.407")

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Turning & Expander Mandrels](#)

Sinclair stainless steel neck turning and expander mandrels for 17 through 50 caliber cartridges are turned from high grade stainless steel on precision turning centers. Turning mandrels are sized .002" under bullet diameter and expander mandrels are .001" under bullet diameter. The shape and surface of all of our mandrels is the result of years of experimenting by many expert handloaders. Our Carbide turning mandrels are precision ground from solid carbide stock, which yields even closer tolerances. All Carbide mandrels are ground to .002" under bullet diameter. Adjustments on our NT-4000 turning tool will be more consistent with carbide mandrels due to the tighter tolerances of the mandrels. Large caliber (35 to 50 caliber) mandrels fit only the Large Caliber Expander Body and the NT-5000 Turning Tool

Attributes

- Name: [LARGE CALIBER STAINLESS EXPANDER MANDREL, 408 CALIBER\(.407"\)](#)

Safety Instruction Guide for Stainless Steel Large Caliber Expander Mandrels

Introduction

Thank you for choosing the Stainless Steel Large Caliber Expander Mandrels. This product is designed for precision neck turning and expanding of cartridges ranging from 17 to 50 caliber. Proper use and handling of this product are essential for ensuring safety and achieving optimal performance. Please read this safety instruction guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** Always ensure the product is used in accordance with the instructions provided. Misuse can lead to accidents or injuries.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If a recall occurs, follow the instructions provided for returning or remedying the product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements. Verify the product's specifications and safety information.
- **Special Consumer Focus:** This product is intended for adult use only. Keep out of reach of children to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the relevant EU contact points provided by the retailer.
- **Rapid Alerts:** Be aware of updates regarding product safety through the EU's Safety Gate platform. Report any unsafe conditions immediately.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, such as safety glasses and gloves, when handling or using the expander mandrels.
- **Inspect the Product:** Before use, inspect the mandrels for any signs of damage or wear. Do not use damaged products.
- **Work Environment:** Ensure your work area is clean, welllit, and free of any hazards that could lead to accidents.
- **Proper Handling:** Handle the mandrels with care to avoid dropping or mishandling them, which could cause injury or damage.
- **Avoid Contact with Moving Parts:** Keep hands and other body parts clear of moving parts during operation to prevent injury.
- **Follow Manufacturer Guidelines:** Always adhere to the manufacturer's guidelines for use, including size specifications and adjustments.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the NT5000 Turning Tool is properly set up and calibrated according to the manufacturer's instructions.
 2. Select the appropriate mandrel size for your caliber. Ensure it fits snugly in the mandrel holder.
 3. Tighten the mandrel securely in place to prevent it from loosening during use.
- **Usage:**
 1. Adjust the turning tool to the desired depth and speed as per the requirements of your specific project.

2. Begin the turning process slowly to ensure stability and accuracy.
3. Monitor the operation closely, making adjustments as necessary to maintain precision.
4. After use, carefully remove the mandrel from the tool and clean it according to the maintenance guidelines.

Disposal Instructions

- **Environmental Considerations:** Dispose of the product in accordance with local regulations regarding metal recycling.
- **Do Not Dispose of in Regular Trash:** Avoid placing the product in regular waste bins; instead, take it to a designated recycling facility.
- **Follow Local Guidelines:** Check with local authorities for any specific disposal instructions related to stainless steel products.

Contact Information for Further Support

For any questions or concerns regarding the Stainless Steel Large Caliber Expander Mandrels, please refer to the contact information provided by your retailer or manufacturer. Ensure that you have the product details available for a more efficient inquiry.

By following these guidelines, you can ensure safe and effective use of the Stainless Steel Large Caliber Expander Mandrels. Thank you for your attention to safety, and happy reloading!
