

TRU-KOTE BENCHREST STOCK TAPE - BENCHRITE 2-GUN PTFE STOCK TAPE KIT

[Shooting Accessories](#) > [Shooting Rests](#) > [Shooting Rest Accessories](#)

Many benchrest shooters use tape on the forend and buttstock of their rifles to help the stock slide smoother in the bags. The tape also protects the stock surfaces from being scratched by Cordura bags. We carry two types of stock tape kits - the traditional clear tape which is hardly visible on the rifle, and the tan colored true Teflon PTFE coated film tape. Both types of tape are cut to 5 inch x 5 inch pieces and have peel-off backings. The clear tape is available in two rifle kits, and the Teflon tape is available in one rifle or two rifle kits. Application instructions are included.

Attributes

- Name: [BENCHRITE 2-GUN PTFE STOCK TAPE KIT](#)
- Manufacturer: [BENCHRITE](#)
- Product no.: 749002107
- Mfr. No.: 04-185

TRUKOTE BENCHREST STOCK TAPE BENCHRITE 2GUN PTFE STOCK TAPE KIT Safety Instructions

Introduction

Thank you for choosing the TRUKOTE BENCHREST STOCK TAPE BENCHRITE 2GUN PTFE STOCK TAPE KIT. This product is designed to enhance the performance of your rifle by providing a smoother slide in bags and protecting your stock surfaces from scratches. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the product as intended and according to the instructions provided.
- Ensure that the product is kept out of reach of children and vulnerable individuals.
- Regularly inspect the tape for any signs of wear or damage before use.
- If you notice any defects or issues with the product, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- Ensure the rifle is unloaded and safe before applying the tape.
- Avoid applying the tape in wet or humid conditions, as this may affect adhesion.
- Do not use the tape on surfaces that are not clean and dry, as this can lead to poor adhesion.
- Be cautious when handling the tape to avoid skin irritation; if irritation occurs, discontinue use and consult a medical professional.
- Do not use the tape for any unintended purposes, such as on equipment not specified in the instructions.

Instructions for Installation and Usage

1. Preparation:

- Ensure the rifle is unloaded and placed on a stable surface.
- Clean the areas of the forend and buttstock where the tape will be applied to remove any dirt or oil.

2. Cutting the Tape:

- The tape comes in precut pieces of 5 inches x 5 inches. Select the number of pieces needed based on your application.

3. Applying the Tape:

- Peel the backing off the tape carefully.
- Align the tape with the desired area on the forend or buttstock.
- Press down firmly to ensure good adhesion, smoothing out any air bubbles as you go.

4. Final Checks:

- After application, check that the tape is securely attached and there are no loose edges.
- Allow the tape to set for a few hours before using the rifle to ensure maximum adhesion.

Disposal Instructions

- Dispose of any unused or damaged tape in accordance with local waste disposal regulations.
- Do not incinerate the tape as it may release harmful fumes.
- If the tape is no longer needed, consider recycling options where available.

Contact Information for Further Support

For any inquiries related to safety or product performance, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the TRUKOTE BENCHREST STOCK TAPE BENCHRITE 2GUN PTFE STOCK TAPE KIT while ensuring safety and compliance with the EU General Product Safety Regulation.
