Introduction

Thank you for choosing the Benchrest Targets by ROCKWOOD CORP. These regulation targets are designed for realistic practice and competitive matches at your local range. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the shooting range is safe and that all safety protocols are followed.
- Use targets only in designated areas where shooting is permitted.
- Ensure that all participants are wearing appropriate protective gear, including eye and ear protection.
- Keep the shooting area clear of unauthorized personnel, especially children.
- Regularly inspect your targets for damage or wear before use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Sharp edges on the target may cause cuts.
 - Improper setup may lead to misfires or stray shots.
- **Avoiding Hazards:**
 - Handle targets carefully to avoid cuts.
 - Ensure targets are securely mounted to prevent them from falling or being dislodged.
 - Always check your surroundings for safety before shooting.
- **Age Restrictions:**
 - This product is intended for use by adults and should not be used by children without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Unpack the targets carefully, ensuring not to damage them.
- Select a suitable location for mounting the targets, ensuring it is in a safe shooting area.
- Use appropriate hardware to securely attach the targets to a stable backing or stand.

2. Usage:

- Position the targets at the designated distance (300 yards).
- Ensure that all shooters are aware of the target positions before commencing shooting.
- After shooting, check the targets for any damage or wear before reusing them.

Disposal Instructions

- Dispose of any damaged or worn targets responsibly.
- If the targets are made from recyclable materials, please follow local recycling guidelines.
- Do not burn the targets, as this may release harmful substances.
