Safety Instruction Guide for TYPE S DECAPPING ASSEMBLIES

Introduction

Thank you for choosing the TYPE S Decapping Assembly by Redding. This guide provides important safety instructions and guidelines to ensure the safe use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that this product is used only for its intended purpose as specified.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling this product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the decapping assembly for any signs of wear or damage before use.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper handling or use may lead to injury.
- Ensure that the decapping assembly is securely attached to the sizing die before use.
- Avoid forcing the assembly if it becomes stuck; instead, follow the recommended procedures for removal.

• Avoiding Hazards:

- Always follow the manufacturer's instructions for installation and usage.
- Do not exceed the recommended cartridge specifications for this product.
- Ensure that your workspace is clean and free from obstructions while using the decapping assembly.

• Warnings:

- This product is not suitable for individuals under the age of 18 without adult supervision.
- Do not use the decapping assembly with cartridges that are not listed in the specifications (308 Winchester, 3030 Winchester, 300 SAUM).

Instructions for Installation and Usage

1. Installation:

- Ensure that the sizing die (either fulllength or neck sizing) is securely mounted in your reloading press.
- Carefully insert the TYPE S Decapping Assembly into the sizing die, ensuring a snug fit.
- Tighten the assembly securely to prevent any movement during operation.

2. Usage:

- Before starting, confirm that the work area is clear and you have all necessary tools at hand.
- Load the cartridge you wish to decap into the press.

- Operate the press smoothly, applying even pressure to decap the cartridge.
- After decapping, inspect the assembly and cartridge for any issues before proceeding.

3. PostUse:

- Clean the decapping assembly after each use to prevent residue buildup.
- Store the assembly in a dry, secure location away from moisture and children.

Disposal Instructions

- Dispose of the decapping assembly in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the assembly is damaged or no longer usable, consider recycling materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the TYPE S Decapping Assembly, please refer to the manufacturer's contact information included with your product packaging or visit the manufacturer's website for additional resources.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your TYPE S Decapping Assembly. Always prioritize safety and take necessary precautions during use. Thank you for your attention to these important guidelines.
