Safety Instruction Guide for Tapered Sizing Buttons

Introduction

Thank you for choosing the Redding Tapered Sizing Buttons. These long tapered expanders are designed for expanding the necks of bottleneck cartridges up to the desired size. This guide provides important safety information and instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your reloading equipment before using the tapered sizing buttons.
- Always wear appropriate safety gear, including eye protection, when handling reloading equipment and components.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear before use.
- If you encounter any issues or have concerns about the product, do not hesitate to seek assistance.

Specific Safety Precautions for Use

- Use only in the Standard and Type "S" sizing dies as specified.
- Do not attempt to modify or alter the sizing buttons in any way.
- Avoid using the product with cartridges that exceed the specified calibers:
 - 22 Caliber (.223.224)
 - 243/6 mm (.243)
 - 264/6.5 mm (.264)
 - 284/7 mm (.284)
 - 270/6.8 mm (.277)
- Ensure that the decap rod is properly installed and secure before use.
- Store the tapered sizing buttons in a dry, cool place to prevent damage.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary equipment, including the sizing die, tapered sizing buttons, and decap rod.
- Ensure your workspace is clean and welllit.

2. Installation:

- Remove the existing sizing button from the sizing die if applicable.
- Insert the tapered sizing button into the sizing die, ensuring it is seated properly.
- Secure the sizing button according to the manufacturer's instructions for your specific die.

3. Usage:

- Place the cartridge case into the sizing die.
- Operate the reloading press according to the manufacturer's instructions.
- Monitor the process closely to ensure safe and effective sizing.

4. PostUse:

- Remove the cartridge case from the die.
- Inspect the sizing button for any signs of wear or damage after use.
- Clean the sizing button and die according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any damaged or worn tapered sizing buttons in accordance with local regulations.
- Do not dispose of the product in household waste; check for recycling options or hazardous waste disposal sites in your area.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please reach out to the designated EU contact point provided with your product packaging or instruction manual.

Conclusion

Following these safety instructions will help ensure a safe and effective experience with your Redding Tapered Sizing Buttons. Always prioritize safety and compliance with the EU General Product Safety Regulation (GPSR) to protect yourself and others. Thank you for your attention to these important guidelines.
