# Safety Instruction Guide for Tapered Sizing Buttons

## Introduction

Thank you for choosing the Tapered Sizing Buttons from Redding. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to expand the necks of bottleneck cartridges.
- Regularly check for any signs of damage or wear before use. Do not use damaged components.
- Always follow the manufacturer's instructions when using this product.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling and using the product.
- Use the tapered sizing buttons only in Standard and Type "S" sizing dies.
- Ensure that the decap rod is properly installed and functioning before using the sizing buttons.
- Do not exceed the recommended caliber specifications (22 Caliber, 264/6.5 mm, 25 Caliber) when using this product.
- Avoid using the product in wet or damp conditions to prevent slipping and accidents.
- Do not attempt to modify or repair the product without consulting the manufacturer.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your Standard or Type "S" sizing die is clean and free of debris.
- Insert the tapered sizing button into the appropriate sizing die.
- Secure the sizing button according to the manufacturer's instructions.
- Check that the sizing button is firmly in place before proceeding.

### 2. Usage:

- Prepare your bottleneck cartridges according to standard reloading practices.
- Place the cartridge into the sizing die with the tapered sizing button.
- Apply even pressure to expand the neck of the cartridge as desired.
- Monitor the process closely to ensure that the cartridge is not damaged during sizing.
- After use, remove the cartridge and inspect it for any signs of damage.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in general waste. Follow local guidelines for hazardous materials if applicable.
- Consider recycling options for metal components where possible.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety, please refer to the manufacturer's contact information provided with your product packaging or on the official website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
