Safety Instruction Guide for Tapered Sizing Buttons

Introduction

Thank you for choosing the Redding Tapered Sizing Buttons. These products are designed to expand the necks of bottleneck cartridges safely and effectively. This guide provides essential safety instructions to ensure proper use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the sizing buttons are compatible with your Standard and Type "S" sizing dies.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before each use.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling cartridges and reloading equipment.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper use may lead to personal injury or damage to equipment.
- Ensure that the sizing buttons are securely attached to the die before use.

- **Avoiding Hazards:**

- Do not exceed the recommended caliber specifications (30 Caliber, .308).
- Avoid using the sizing buttons with noncompatible dies.
- Do not attempt to modify or repair the sizing buttons.
- Always follow manufacturer guidelines for usage.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18. Ensure adult supervision if used by younger individuals.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting the installation.
- Ensure your workspace is clean and free from distractions.

2. Installation:

- Remove the sizing die from your reloading press.
- Carefully insert the tapered sizing button into the sizing die, ensuring it fits securely.
- Reattach the sizing die to the reloading press, making sure it is tightened properly.

3. Usage:

- Place the cartridge case into the reloading press.
- Operate the press smoothly, applying consistent pressure to expand the neck of the cartridge.
- Inspect the cartridge after sizing to ensure proper fit and expansion.

4. PostUse:

- Remove the sizing die from the press and clean any debris or residue.
- Store the sizing buttons in a safe, dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any damaged or wornout sizing buttons in accordance with local regulations.
- Do not dispose of products in regular household waste if they contain hazardous materials.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product performance, please refer to the manufacturer's website or contact their customer support. Ensure you have the product details ready for assistance.

Thank you for following these safety instructions. Your attention to these guidelines helps ensure a safe and effective reloading experience.
