# LOCKNLOAD PRESS CONVERSION & BUSHINGS USER MANUAL

## Introduction

Thank you for choosing the LOCKNLOAD PRESS CONVERSION & BUSHINGS. This product is designed to enhance your reloading experience by providing a quick change bushing system. To ensure safe and effective use, please read this manual carefully and adhere to the safety guidelines and instructions provided.

## General Safety Guidelines

- Ensure that the LOCKNLOAD PRESS is used in a wellventilated area, away from flammable materials.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when reloading.
- Keep the reloading area clean and free from clutter to prevent accidents.
- Store the product in a dry, cool place, away from children and pets.
- Regularly inspect the LOCKNLOAD components for wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- Always ensure that the reloading press is securely mounted before use.
- Never exceed the recommended load specifications for your reloading dies.
- Do not attempt to modify or alter any components of the LOCKNLOAD system.
- When changing dies, ensure that the press is in the "safe" position to prevent accidental operation.
- Keep hands and loose clothing away from moving parts during operation.
- If you experience any malfunction or unusual operation, stop using the product immediately and consult the manufacturer.

## Instructions for Installation and Usage

### Installation

#### 1. Mounting the Press:

- Securely attach the LOCKNLOAD PRESS to a stable workbench using the provided mounting hardware.
- Ensure that the press is level and does not wobble.

#### 2. Installing the Bushings:

- Insert the LOCKNLOAD die bushings into the press according to the manufacturer's instructions.
- Ensure that the bushings are fully seated and locked in place before use.

### Usage

#### 1. Changing Dies:

- To change dies, simply flick the bushing release lever to disengage the current die.
- Replace with the desired die by aligning it with the bushing and pushing it into place until it clicks.

#### 2. Reloading:

- Follow standard reloading procedures for your specific caliber.
- Always doublecheck powder measurements and bullet seating depths before loading.

### 3. PostUse:

- After reloading, clean the press and bushings to remove any residue.
- Store the LOCKNLOAD system in a safe location.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the LOCKNLOAD PRESS or its components in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's website or contact their customer service. Ensure you have your product details ready for a quicker response.

Thank you for your attention to these safety instructions. Enjoy your reloading experience with the LOCKNLOAD PRESS CONVERSION & BUSHINGS!
