# Safety Instruction Guide for Tapered Sizing Buttons

## Introduction

Thank you for choosing the Redding Tapered Sizing Buttons. These long tapered expanders are designed for expanding the necks of bottleneck cartridges to the desired size. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only in the Standard and Type “S” sizing dies.
- Always inspect the product for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all manufacturer instructions regarding the use and maintenance of the product.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Risk of injury from improper handling or misuse.
- Risk of damage to the cartridge or sizing die if used incorrectly.

### • Instructions for Avoiding Hazards:

- Always wear appropriate safety gear, including eye protection.
- Do not force the sizing button into the die; ensure it fits correctly.
- Use the product only for its intended purpose as outlined in this guide.
- Do not modify the sizing buttons or attempt to use them with incompatible dies.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the sizing die is clean and free from debris.
- Carefully insert the tapered sizing button into the sizing die, ensuring a snug fit.
- Check that the decap rod is properly aligned if using in conjunction with one.

### 2. Usage:

- Place the cartridge into the sizing die with the tapered sizing button installed.
- Apply steady, even pressure to size the cartridge neck to the desired dimension.
- Remove the cartridge carefully after sizing to avoid any injury.
- Inspect the cartridge for proper sizing and any signs of damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, follow local ewaste disposal guidelines.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please consult the manufacturer's website or your local retailer. They can provide additional information and support.

Thank you for prioritizing safety while using the Redding Tapered Sizing Buttons. Your adherence to these guidelines helps ensure a safe and effective reloading experience.
