

XTP® .38 CALIBER (0.357") JACKETED HOLLOW POINT BULLETS - XTP® 38 CALIBER (0.357") 110GR JACKETED HOLLOW POINT 100/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Designed for hunting, self-defense and law enforcement applications, the XTP® bullet demonstrates the kind of accuracy that led many competitive shooters to adopt it. Reliable performance makes the XTP® the most popular handgun bullet for both target shooters and hunters. But it's the stopping power of the XTP® bullet that has truly built its world-class reputation. From the onset, XTP® bullets were specifically designed to expand reliably at a wide range of handgun velocities to deliver deep penetration with every shot. PRODUCT FEATURES CONTROLLED EXPANSION Precise serrations divide the XTP® into symmetrical sections, strategically weakening the jacket and initiating controlled expansion even at low velocities. NO EXPOSED LEAD The gilding metal jacket protects the nose of the bullet, so the hollow cavity functions properly on impact and ensures proper feeding in semi-automatics. SWAGED CORE Total uniformity of core density ensures balanced expansion as well as in-flight stability. DRAWN GILDING METAL JACKET Expansion is controlled by varying jacket thickness down the length of the XTP®, providing a definite advantage over plated bullets which have a uniform jacket thickness over the entire bullet. CANNELURE On revolver bullets, the cannelure helps achieve accurate, consistent crimping. All cannelures are applied before the final forming process to eliminate any distortion to the finished bullet.

Attributes

- Name: [XTP® 38 CALIBER \(0.357"\) 110GR JACKETED HOLLOW POINT 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749002221
- Mfr. No.: 35700
- Bullet Style: Hollow Point Extreme Terminal Performance (HPXTP)
- Caliber: 38 Caliber
- Diameter (in): 0.357
- Grain: 110
- Quantity: 100
- Delivery weight: 0.748kg
- Shipping height: 64mm
- Shipping width: 58mm
- Shipping length: 99mm
- UPC: 090255235708

Safety Instruction Guide for XTP® .38 Caliber (0.357") Jacketed Hollow Point Bullets

Introduction

Thank you for choosing the XTP® .38 Caliber (0.357") Jacketed Hollow Point Bullets. This guide provides essential safety instructions to ensure the safe use and handling of these bullets. Please read this guide thoroughly before use to understand the necessary precautions and guidelines.

General Safety Guidelines

- Ensure safe use of all nonfood products, including ammunition.
- Be aware of risks associated with handling and using ammunition.
- Follow all local laws and regulations regarding the use of ammunition.
- Always store ammunition in a secure, dry place away from children and unauthorized users.
- Use appropriate personal protective equipment (PPE) when handling or firing ammunition.
- Check for any product recalls or safety alerts related to this product on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Controlled Environment:** Use this ammunition only in a controlled environment such as a shooting range or designated outdoor area.
- **Firearm Compatibility:** Ensure that your firearm is compatible with .38 caliber ammunition before use.
- **Proper Handling:**
 - Always handle ammunition with care to avoid accidental discharge.
 - Do not point the firearm at anything you do not intend to shoot.
 - Keep your finger off the trigger until ready to shoot.
- **Storage:**
 - Store ammunition in its original packaging until ready for use.
 - Keep ammunition in a cool, dry place to prevent damage.
- **Inspection:**
 - Inspect each bullet for any visible defects before use.
 - Do not use any bullet that appears damaged or deformed.
- **Age Restrictions:**
 - This product is intended for use by individuals of legal age only. Ensure compliance with local laws regarding age restrictions for ammunition use.

Instructions for Installation and Usage

- **Loading Ammunition:**
 - Follow the manufacturer's instructions for loading ammunition into your firearm.
 - Ensure the firearm is pointed in a safe direction during loading.
- **Firing:**
 - Use only in firearms specifically designed for .38 caliber ammunition.
 - Maintain a stable shooting position and ensure a clear line of sight to the target.
- **PostFiring:**
 - After firing, check for any malfunctions or issues with the firearm.
 - Dispose of spent casings and any unused ammunition responsibly.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash. Contact local authorities for proper disposal methods.

- Ensure that spent casings are collected and disposed of responsibly to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or concerns regarding the XTP® .38 Caliber (0.357") Jacketed Hollow Point Bullets, please consult your local firearms dealer or relevant authority.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your XTP® ammunition. Always prioritize safety and responsible use.
