# Safety Instruction Guide for Starline 380 AUTO BRASS

## Introduction

Thank you for choosing Starline Brass, the maker of America's finest straight wall brass. This guide provides essential safety instructions to ensure the safe use of the 380 AUTO BRASS. Please read through this document carefully to understand the safety measures, usage instructions, and disposal guidelines associated with this product.

## General Safety Guidelines

- Always handle brass components with care to avoid injury.
- Ensure that you are using the brass in accordance with the manufacturer's specifications and recommendations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the brass for any signs of damage or wear before use.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to ensure the product is safe for use.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling brass.
- Avoid exposure to extreme temperatures and moisture, as these conditions can compromise the integrity of the brass.
- Do not attempt to modify or alter the brass in any way, as this may create hazards.
- Ensure that your firearm is compatible with 380 Auto (ACP) cartridges before use.
- Follow all local laws and regulations regarding the use of ammunition and brass components.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the workspace is clean and free from clutter.
- Gather all necessary tools and equipment before starting.

### 2. Loading the Brass:

- Inspect each piece of brass for any visible defects.
- Load the brass into the appropriate firearm following the manufacturer's instructions.
- Ensure that the firearm is pointed in a safe direction at all times during loading.

### 3. Firing:

- Follow the firearm's safety procedures during firing.
- Always treat the firearm as if it is loaded, even if you believe it to be empty.
- Maintain a safe distance from others while firing.

### 4. PostFiring Care:

- Allow the firearm to cool down before handling.
- Remove spent brass and dispose of it properly according to local regulations.

- Clean the firearm and inspect it for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of spent brass according to local recycling guidelines.
- Do not dispose of brass in regular household waste.
- Check with local authorities for specific disposal procedures for spent brass.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of Starline 380 AUTO BRASS, please reach out to the designated EU contact point for assistance.
